

“Lady”

Sizes: S(M,L,XL)

Supplies: 4mm (UK: 8, US: 6) Straight needles, 3.25mm (UK: 10,US: 3) circular needles for neckband, 4 Stitch holders.

Yarn: 8 ply black, (Small: 350g-400g, Medium: 400g-450g, Large: 450g-500g, Extra Large: 500g-550g) 8ply white 50g

Notes

- This jumper is worked into four parts and sewn up with mattress stitch.
- Rib for both jumper and beanie is the twisted knit. To create the twisted knit, you go into the back loop instead of putting the needle in the front. If you prefer the normal knit, by all means do so, I just used the twisted knit because the ribbing looked tidy compared to normal knit.
- The cat is worked in white and the rest of the sts is worked in black knitted or purled, depending on the row.

Neckband

Using mattress st, join raglan seams together (this is not including the 9 sts of sleeves, as those stitches are used for part of the neckline)

Using 3.25mm (Uk 10, US 3) circular needles, knit across 9 sts from the left sleeve stitch holder. Make sure you start on the left side or the neckband will not come out properly.

Dec 2 sts at beginning and end of the 9sts. Knit up 22(24, 24, 25) sts evenly across the left side of the neck.

Using mattress st, join seams.

Beanie

3.75mm(UK 9, US 5) or 4.00mm (UK 8, US 6) 5 double pointed needles

Yarn: 100g black and 50g white(for both child/adult small and adult large)

Notes

- The knits in the ribbing is also done with the twisted knit, where you insert the needle in the back loop instead of the front. You don't have to do the twisted knit, but I prefer doing it because to me it makes the ribbing look neater.

Ribbing

Cast on 92(100)sts

1st row: k2 p2

Continue ribbing for a total of 10 rows.

Cat silhouette

For the beanie, I took away some rows. So the cat silhouette just for the beanie is 23 in height and 11 in length

Knit 18 st and start the cat, see diagram, is made in round. The Crosses are the rows i took out.

Continue stockinette until 7 inches (8 inches)
