of Cycoldia*

Motion to Recognise the Prime Minister's Resignation & Trigger a Special Election

Declaring for a Special Election to occur in
accordance with the Special Election Act of 2022
regarding the Denary Seat, presently held by the
Honourable Maximillian Greig

WHEREAS a member of the General Assembly has officially resigned from their position;

WHEREAS it is necessary to trigger a special election due to the actions of the Member for the Denary Seat; therefore

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE GRAND REPUBLIC OF CYCOLDIA:—

Part I: Causation & Special Election

Article 1: Causation

- (1) Through this act, it is to be recognised by Her Majesty and the General Assembly that Her Highness, Amelia Banks, has formally resigned from all of her positions within Her Majesty's government.
- (2) This resignation is to be recognised as triggered by the removal of contact with Her Majesty, the remaining administration, and the General Assembly.
- (3) This resignation is to take immediate effect upon passage of this motion.
- (4) The resignation shall result in Deputy Prime Minister, the Honourable Maximilian Greig, being declared Acting Prime Minister until the General Assembly confirms a new government.
- (5) With the Honourable Maximillian Greig becoming Acting Prime Minister, it is to be noted they shall move to occupy the Ministerial Seat of the General Assembly. Upon a new Prime Minister is confirmed by the General Assembly, they shall hold this seat. When a new Prime Minister is confirmed, they shall trade seats with them.

Article 2: Special Election

- (1) As stated previously, the Honourable Maximillian Greig shall move to the Ministerial Seat of the General Assembly. This move shall leave a vacancy within the Denary Seat. It shall be agreed upon that this is cause for triggering a special election per the Special Election Act of 2022.

- (2) Therefore, this special election shall follow the act's requirements. This is because the act necessitates a special election in case of vacancy.
- (3) This election shall use the Instant Runoff Voting Method due to it being for solely one seat.

Part II: Legality of this Act

- (1) This Act shall take effect immediately upon Her Majesty granting Imperial Assent and approval from the Speaker of the General Assembly.
- (2) This Act may be cited as the *Motion to Recognise the Prime Minister's Resignation & Trigger a Special Election* and *PMR-TSE 2024*.
- (3) Should any prior General Assembly motions conflict with this act, they shall be repealed.
