

Boston Children's Hospital & Hopedale Jr.-Sr. High School

Summer Internship

2025 Criteria & Application

Boston Children's Hospital and Hopedale Jr.-Sr. High School are thrilled to announce a summer internship opportunity for students interested in the biomedical sciences. This partnership is a unique opportunity for students to obtain a real world, hands-on experience at one of the most prestigious medical centers in the country. Please review the criteria below and follow the link at the bottom to apply. Applications will be reviewed by the science department and administration. An interview will follow via Zoom from a team at Children's Hospital for those students selected. This ***paid*** opportunity can be added to your resume and college application.

- 2 students currently in 10th or 11th grade (preference to 11th grade)
- Demonstrated initiative and interest in the STEM field thus far in their high school career (preference to those students who are enrolled in the Biomedical Science Innovation Pathway Program at HHS)
- Evidence of strong character and commitment to their academics and extracurriculars
- Ability to travel to and from Boston Children's Hospital for 4 weeks this summer beginning in **July 7th - Aug. 1st from 9 am - 4 pm**
- Willingness to embody the growth mindset and develop their career skills and soft skills in a fast paced environment

[Applications](#) are due March 15, 2025
