

SHANNON CROFT

(from behind the news desk)

Thank you Papa Hemlock for talking to us about this weekend's Voodoo Festival at the Ponderosa Springs Convention Center.

PAPA SKULL

It was my great pleasure, Shannon. Tickets are still available on our website [fulsoncountyvoodooofestival dot com](http://fulsoncountyvoodooofestival.com)

SHANNON CROFT

And you can see the web address there on the bottom of your screen. Time now to check in with Kurt Dates in the Weather Center for a look at this weekend's forecast. Kurt, are we in for more of this rain?

KURT DATES

It looks that way Shannon. As you can see here on the Doppler 5000, we have a low pressure system making its way across the tri-state area and what that OH MY GOD! AYYEAH! Get away from me!

We see only the weathermap and chyrons, full screen

SHANNON CROFT

Kurt?

KURT DATES

(CRYING)

It's some sort of dark spirit. It's taking the form of my dead son.

SHANNON CROFT

Kurt, Kurt focus on the weather, we're live on the air.

KURT DATES

I love you Johnny, Johnny come to daddy.

SHANNON CROFT

Someone's got to finish the weather.

KURT DATES

Why are your eyes so dark, Johnny? Look at your daddy.

SHANNON CROFT

And that low pressure system is going to be taking us close to our all-time regional record rainfall

KURT DATES

AAH! JOHNNY MY HEART! IT'S EATING MY HEARTTTT! YEEEEEach! Noo!

We hear paranormal soul destruction SFX

SHANNON CROFT

(continuing)

total of fifteen inches set back in 1947. But we should see some sun peeking through the clouds by Monday morning. (Deep Sigh) And we'll be back after a short break with the latest from city hall on the proposed Middle District Ice and Sports Complex.
