

CALL TO ACTION #3 Learn How You Can Protect Medicaid, Medicare, and Healthcare Rights		
<p><i>Join a Zoom call with Indivisible Illinois</i> <i>Monday, April 21</i> <i>7:30 - 9:00 p.m. CT</i></p>		
Background:	<p>Medicaid and Medicare are under attack. Again. The current Administration and aligned members of Congress are targeting programs that provide critical healthcare to millions of Americans. The proposed cuts aren't just numbers on a budget—they're life-or-death decisions for seniors, people with disabilities, and working families.</p> <p>Indivisible Illinois, a grassroots justice network, is bringing together experts and advocates for an urgent conversation about what's at stake and how these attacks fit into a larger extremist agenda to dismantle our most essential public services.</p> <p>Join an Indivisible Illinois call to learn what's happening, why it matters, and how you can fight back. Together, we can protect Medicaid, Medicare, and the right to healthcare for all. Register now, get informed, and take action.</p>
