

From The Music and Drama Rooms

Please read the Safety Protocol to use while attending the Famous Americans Presentation on May 7th at 4:15 PM.

Please use the lower gate between our two buildings starting at 4:00 pm to enter the campus!

When you arrive for your child's concert, please park close to the 4-5 building and enter through the lower gate between the buildings. The musical and wax museum presentations will take place simultaneously, with half of the students performing in the theater while the other half presents their reports in the gym.

If your child is in Mrs. Grover's or Ms. McDonald's class, please go straight into the elementary theater to get your seats. Additionally, if your child is in Mrs. Fuentes' class and their last name begins with the letters A-K, you should also immediately go to the auditorium and get seated. If your child is in Mrs. Burnett's or Ms. Williams's class, then you should wait by the Northwest gym doors until you are invited in to view the wax museum presentation. If your child is in Mrs. Fuentes' class and their last name begins with the letters L-Z, you should wait by the northwestern gym doors as well.

When the 1st musical presentation concludes in the theater, please go out of the theater's west doors and wait by the picnic tables between the buildings to give the parents who are exiting the gym the opportunity to go into the theater and get seated. When the wax museum presentation is ready, audience members who have seen the musical presentation will be invited into the gym's northwest doors.
