

## LWV OF SAN DIEGO IMMIGRATION RESOURCE LIST

### (updated 2/15/2026)

In May 2025, LWVUS announced its **Unite and Rise 8.5** initiative in response to the constitutional crisis our country is facing. One of the initiative's focus areas is **Due Process and Immigration**—the inspiration for this resource list, which will be continually updated with new resources.

Every person has their own way of engaging and their own values. We hope this gives you some ideas from which to choose, as well as useful background information.
