- To fill the position of Head Setter at the provincial level the minimum requirement is having held the position of Head Setter for two local sanctioned events within the past two competition seasons in the same discipline.
- A Head Setter acting as Chief for the first time at the provincial level would require the Assistant Head Setter to have previously filled the role as Head Setter at a minimum of one provincial level competition in the last two competition seasons in the same discipline.

Requirements to fill the position of Assistant Head Setter at ACA provincials.

- To fill the position of Assistant Head Setter at the provincial level the minimum requirement is having held the position of Assistant Head Setter at a minimum of two local sanctioned events within the last two competition seasons in the same discipline.

The Alberta Climbing Association with the collaboration of the host gym will choose the Head Setter and Assistant Head Setter for all local and provincial level sanctioned events. The remainder of the setting team will be selected by the host gym and the chosen Head Setter and Assistant Head Setter for said events. Setters wishing to be part of the setting team for local and provincial events are encouraged to contact the host gym with their resume and references.
