| <p>Vooks - sign up for a free month. Get virtual books online that your child can read or can be read to! It animates the books too. Parent lessons are available with the free trial. https://www.vooks.com/parent-resources</p> | <p>IXL - math and reading. Login: sfaschool Password: sfarocks Click on "Learning" tab Click on "Math" or "Language Arts" Click on "First Grade" and practice any skills https://www.ixl.com/</p> | <p>Mystery Science - free and EASY science experiments you can do at home. It has videos and gives explicit directions of how to complete activities! I used this for the last 2 years! They have GREAT stuff! Use the K and 1 experiments. https://mysteryscience.com/school-closure-planning</p> | <p>Mind Yeti - practice mindfulness. Click on Powers and choose a feeling. Login: ktosti@sksschool.org Password: summer123</p> |
| <p>Fly Flea- here you will find books your child can read accompanied with "homework" to do after reading! They are great and there is no sign up required!</p> <p>Emergent Books (part 1-5) - are easier and would be great review for short vowels and blends etc. Your child should be able to read those with ease and complete the homework pages with little help.</p> | <p>Prodigy - sign up for a free account. Review and learn new first grade math skills.</p> | <p>Brain Pop and Brain Pop Jr. - great videos and activities for all subjects. We have watched some in school and the kids enjoy them! Login: sfaschool Password: sfarocks https://jr.brainpop.com/</p> | <p>Go Noodle - get moving with dances, songs, etc. These are great for brain breaks or rainy days! https://family.gonoodle.com/</p> |

| | | | |
|--|---|--|---|
| <p>Reading Series 1 and 2 - are more on level for first grade students. The homework is longer and broken down into days. You can always pick and choose what activities to do.</p> <p>https://portal.flyleafpublishing.com/learners-resources/#foundational-skills-consolidation-l</p> | | | |
| <p>Tumble Books- login and read stories and answer comprehension</p> <p>Username- stkatharineofsiena</p> <p>Password- books</p> <p>www.tumblebooks.com</p> <p>*to find 1st grade books to read:</p> <p>Click on "index"</p> <p>Click on the "AR" tab and it will sort the reading levels from highest to lowest.</p> <p>Scroll down and 1.0-2.0 books.</p> <p>Once you click on a book you will find there are quizzes to take after and also book reports your child can complete.</p> | <p>Math Games - Click on "grades" tab and choose "Grade 1"</p> <p>All standards are good to review!</p> <p>https://www.mathgames.com/</p> <p>Math Playground:</p> <p>Free Games listed by grade and skill.</p> <p>Some games do not work on certain devices though so it may be trial and error.</p> <p>https://www.mathplayground.com/grade_1_games.html</p> | | <p>Art Activities from Joy Mittman-</p> <p>https://docs.google.com/document/d/1aEAU3O9OgfZsj6avgo6O-iuxTgm3Kid4i6itoxuXW_o/edit?usp=sharing</p> |
