1. QUESTION (E6.6.R1 - Occupations) Text: Mr. Thompson was born on the twenty-second of June, nineteen eighty-five. He is a very talented architect, and he works in a big office in the city center. He draws plans for beautiful houses and skyscrapers every day. He loves his job because he enjoys creating new living spaces for people. **Question:** Read the text and identify Mr. Thompson's occupation. Then, write his full birth date using words.

Answer: Mr. Thompson is an architect. His birth date is the twenty-second of June, nineteen eighty-five.

2. QUESTION (E6.8.R1 - Bookworms) Text: Last Saturday, Amy went to the public library to find some information for her history project. She arrived at the library at ten o'clock in the morning and stayed there for three hours. She found two interesting books about ancient civilizations and read them carefully. She felt very happy because she finished her research before she went back home. **Question:** When did Amy go to the library and how long did she stay there? What was the topic of the books she found?

Answer: Amy went to the library last Saturday and she stayed there for three hours. The books were about ancient civilizations.

3. QUESTION (E6.8.W1 - Bookworms) Task: Think about yesterday. Write a short paragraph (at least 3-4 sentences) about what you did. Use the past tense and give a definite time (e.g., in the morning, at 3 p.m., in the evening).

Answer: (Example) Yesterday morning, I woke up at eight o'clock and had a big breakfast with my family. Then, I went to the park with my friends and played football until twelve p.m. In the afternoon, I stayed at home and read a very exciting storybook. I finished my homework at seven o'clock in the evening and went to bed early.

4. QUESTION (E6.9.R1 - Saving the Planet) Text: We must protect our environment to have a better future. People should recycle paper, glass, and plastic to reduce waste. We should also plant more trees because they clean the air. Turning off the lights when we leave a room is very important to save energy. If we follow these rules, our world will be a cleaner and healthier place. **Question:** According to the text, what should people do with paper, glass, and plastic? Why is planting trees important for the environment?

Answer: People should recycle paper, glass, and plastic to reduce waste. Planting trees is important because they clean the air.

5. QUESTION (E6.9.W1 - Saving the Planet) Task: Our planet needs our help because there is too much pollution. Write a short paragraph (at least 3-4 sentences) to give advice to your friends about protecting nature. Use "should" or "shouldn't."

Answer: (Example) We should always keep our environment clean and we shouldn't throw rubbish on the ground. We should save water while we are brushing our teeth or taking a shower. It is also important to use public transportation or bicycles instead of cars to reduce air pollution. We must be more careful about using natural resources every day.
