Digital Resource Fair
2025 Sponsorship Packet

When and Where

Thursday, October 16, 2025
4:00 - 7:00 PM
Walla Walla Community College

About the Event

The Digital Resource Fair is a hands-on, community-centered event focused on closing the digital divide in our region. It brings together organizations, service providers, and community members to connect people with free or low-cost internet, devices, tech support, and digital literacy resources.

We're inviting sponsors to help make this vital event possible while gaining visibility as a champion for digital inclusion.

Why Sponsor?

- Reach hundreds of community members across the region
- Show your commitment to equity, access, and opportunity
- Build relationships with mission-driven partners and engaged residents
- Gain recognition across digital and event-day materials

2025 Sponsorship Opportunities

We offer four tiers of sponsorship with increasing levels of visibility and recognition.
