

CPT Application Educational Objective

Educational Objective (EO): You will need to write a short but detailed paragraph on how the internship is applicable to your program. Please complete this form and submit it as an attachment to your CPT application.

- Review [instructions on how to write an educational objective](#). **If this needs to be rewritten, you will need to start the process over again.**
- If you are doing another internship with the same company, your educational objective must be different and needs to highlight how the project work you *will* be doing is *different* from the work you did during the previous internship.
- Thesis and Dissertation students: Your educational objective must describe how your CPT is integral and necessary for the completion of your thesis.
