 How do I see the Snow Trails pass options?

Visit the [Snow Trails School Clubs FAQ](#) for current pass options.

 Where should my child rent or buy equipment?

[Colorado Mountain Sports](#) is recommended.

They offer discounts to Dublin Ski & Board Club members.

Address: 4445 Cemetery Rd., Hilliard, OH 43026

Phone: (614) 459-6666

 When can I sign up?

November 1–30, 2026

 Is there a limit to how many students can join?

Each school will have **up to two buses**, with a maximum of **108 students** (54 students per bus).

If both buses are full, students will be placed on a **waiting list**.

To join the waiting list, a parent must email **Kristi Jerger** at jerger_kristi@dublinschools.net.

Please include:

- Student's name
 - School
 - Grade
-

 Could a school have a third bus?

Possibly!

If more than 108 students sign up, a waiting list will be created. A third bus may be added if:

- There are enough students to fill the bus, **and**
 - Three committed chaperones are available.
-

Are refunds available if my child gets hurt?

Transportation refunds are available if your child is unable to participate because of an injury and you provide a doctor's note **before** [December 16, 2025](#).

There are **no refunds** because friends decide not to participate or because of an injury after the refund deadline.

We also will not be able to refund transportation due to injuries after December 16, 2025, even with a doctor's note.

Snow Trails' refund policy is separate.

What about dinner and snacks?

Students are responsible for their own food.

Students may:

- [Purchase food at Snow Trails](#)
- Bring a packed dinner
- Bring a snack for the ride to Snow Trails

Most students spend approximately **\$15** on dinner, drinks, and snacks.

Students should also bring a **water bottle** and a **nut-free snack**.

When should I pick up my child?

Please be **on time** when picking up your child.

Your child should text you when the bus leaves Snow Trails.

Please do not block the bus lane.

A chaperone must remain with your child until you arrive.

If a student is picked up **more than 10 minutes late**, they will not be permitted to attend the following week.

Students must also follow chaperone directions and be ready when buses leave Snow Trails. All middle school buses and all high school buses leave at the same time.

What if I have a middle schooler and a high schooler arriving home at the same time?

Please plan ahead for transportation.

Consider:

- Carpooling with friends
- Asking neighbors or other parents for help
- Arranging a ride with a friend

If this creates a problem, contact your children's advisors and Kristi Jerger so a plan can be discussed.

Students cannot be left unattended, and chaperones need to return home as well.

Can I drop my child off at Snow Trails or pick them up early?

Students are expected to ride the charter bus to and from Snow Trails.

If you need to drop off or pick up your child early, you **must contact your child's school advisor and Kristi Jerger by email before that Tuesday.**

Students must also **sign in or out with a Dublin Ski & Board chaperone in the main lodge.**

Do not drop off or pick up your child without notifying us. All eight schools leave together, so an unreported pickup or drop-off can delay all buses or cause staff to believe a student is missing.

What about chaperones and supervision?

Each charter bus has **at least one adult chaperone.**

There will be **at least 15 Dublin Ski & Board chaperones** at Snow Trails.

Students are encouraged to stay with friends and peers. Students are **not directly supervised by chaperones at all times** and may move throughout the Snow Trails property.

Chaperones and advisors will be available near the fireplace in the main lodge.

If a student is injured, they must report to Ski Patrol immediately.

Emergencies & Injuries

What should my child do in an emergency?

Students should immediately tell a **Snow Trails employee or Ski Patrol** if they are injured.

Do not call 911.

Students should not wait until the end of the evening to report an injury.

Ski Patrol will contact the Dublin advisors and chaperones as needed.

How will parents be contacted?

Parents will be contacted if an injury requires additional attention or if their child receives treatment.

Please:

- Make sure emergency contact information is current on Final Forms
- Keep your phone with you on Ski Club nights.
- Answer calls on Tuesday evenings, even if you do not recognize the number or area code.

What happens if my child is injured?

Minor injury:

Parents will be contacted and informed. The student may return on the bus if Ski Patrol determines that travel will not make the injury worse.

Serious injury:

Parents will be contacted and may be asked to drive to Snow Trails to transport their child home or to the nearest hospital.

Equipment & Belongings

Where will my child keep their equipment during the school day?

Each school will designate a location for Ski Club equipment.

Students may NOT bring skis or snowboards on regular Dublin school buses.

Students should arrange transportation to school with their equipment and drop it off in the designated location before school.

After school, students should collect their equipment and go directly to the charter bus pickup location.

What should my child do with clothing and backpacks?

Students are responsible for their personal belongings.

Please label everything with your child's name.

Students may leave extra clothing and backpacks on the charter bus, but they will not have access to those items while skiing.

Students should avoid bringing school backpacks and Chromebooks to Snow Trails unless necessary.

Are there places to store belongings at Snow Trails?

Yes.

- Free cubbies are available in the lodge.
- Pay lockers are available for valuables.
- Students should not leave equipment in hallways, grass, snow, or changing areas.

Equipment left in unsafe locations may be moved by Snow Trails employees.

What if I missed the parent meeting?

All parent meeting information is available online.

[Parent Meeting Slides:](#)

[Available through the Dublin Ski & Board Club website.](#)

What if my child plays a sport or is in the school play?

Participation in both activities is up to the individual **coach or director**.

Please discuss the schedule with your child's coach or director.

Does my child need a physical?

No.

However, parents must update all emergency information in **Final Forms** and add **Ski Club** as an activity Dec 1, 2026.

What if my middle schooler takes a high school class?

Students may not store or drop off ski equipment in the school office.

Instead, equipment may be:

- Dropped off at the middle school before school and placed in the designated storage area, or
 - Dropped off after school buses have left and before Cardinal buses arrive.
-

What gear does my child need?

Recommended Clothing

Try to avoid cotton, including jeans, because it absorbs water.

Recommended:

- Long underwear
- Polypropylene layers
- Polar fleece
- Turtleneck
- Warm socks
- Waterproof gloves
- Water-resistant ski pants
- Water-resistant jacket
- Something to protect the face from wind

Other Helpful Items

- After-school snack
- Packed dinner or money for dinner
- Water bottle
- Money for a locker
- Extra dry clothes for the ride home
- Disposable hand warmers

Before You Leave

Label everything and check your child's gear more than once!

It is difficult to replace or fix missing clothing or equipment once you arrive at Snow Trails.

High School Holiday Valley Trip

Who can attend?

This is a **high school student trip** and is recommended for more advanced skiers and snowboarders. Students do not have to be members of Ski Club to attend.

All three Dublin high schools attend together.

How does sign-up work?

The trip information in the current FAQ lists:

- **Holiday Valley, Ellicottville, NY**
- **Saturday, January 23, 2027**
- **\$165 through [PaySchools](#)**
- Bus transportation, lift ticket, and pizza lunch included
- Rentals not included

The first **52 students** are guaranteed a spot. Additional students may be placed on a waiting list. Email jerger_kristi@dublinschools.net

Lost Something?

If your child lost an item:

1. Check with your school advisor.

Chaperones check the buses after students leave.

2. If the item was left on the bus:

Contact Cardinal Buses at info@cardinaltrans.com.

Include:

- Child's name
- School
- Bus number
- Picture of the missing item

3. If the item was left at Snow Trails:

Contact Snow Trails Guest Services at guestservices@snowtrails.com.

Include:

- Child's name
- School
- Picture of the missing item

Help prevent lost items!

- Label everything.
- Take pictures of expensive or unique items.
- Keep belongings in a secure location.
- Make black bags easy to identify with ribbon, tape, or another marker.
- Check your surroundings before leaving and make sure you have your belongings.
