# **NEWS from the Middle School**

Dear TCIS Community,

Congratulations to Sebastian, Jayden, Ryan and Beam for winning 2nd place in the Remote Controlled category of the 2021 **Factory Automation Robotics** Challenge for the World Robotics League! This was a very competitive judging of over 350 submissions from around the globe. Our TCIS Middle School Robotics Team, led by Ms. Shanesz, beat teams from many countries

around the world in the World Robotics League. The World Robotics League is a robotics competition for students of all ages to participate using a variety of Robotics Kits and

programming languages. The focus of the World Robotics League is almost purely on Technical Merit and Provable Excellence from Teams. We are very proud of Sebastian, Jayden, Ryan and Beam as well as their coach, Ms. Shanesz. With these young Grade 7 students winning at such an early age, we are excited to see our Robotics Program in the coming years.

# Below are some important dates to remember:

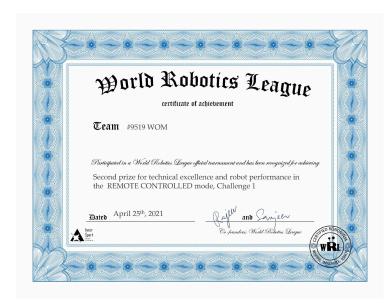

May 26 Visahka Bucha Day - School Closed

May 28 - MS Awards Announced via newsletter

June 2 - 8th Grade Virtual Graduation

June 3 - Queen's Birthday - School Closed

June 4 - End of the Year - Dismissal at 11:30

The Grade 8 Graduation will be a virtual graduation on June 2, 2021. This will be shared on

YouTube, Facebook, and via email to the entire TCIS community.

The Middle School Awards will be shared via the parent newsletter the last Sunday of May.

Thank you for choosing the TCIS and please know that my office is always open to you for a conversation or to help with any issues or concerns you may have.

# News from the Middle School Counselor

Hello Middle School Parents!

Earlier this week, I met with our Grade 5 and 6 students to watch a few videos and have a discussion about trying to avoid distractions while studying. While E-Learning is great for many reasons, it also allows for our students to distract themselves more easily if they're not careful and mindful of their time. I would like to share with you some of the tips we discussed, and perhaps you can have a discussion about these tips with your kids to help reinforce their importance.

- 1) Use time management applications or a calendar. Some applications like 'Stay Focused', 'Rescue Time', and Google Calendar were discussed. We talked about how these tools can be used to help better manage time and deadlines.
- 2) Create separate accounts for fun/games and school. Doing this helps students to know when it's time to focus on studying and when it's time to relax and enjoy free time.
- 3) Clear your desk space. Having a clean desk space means there are less things around you to distract yourself with. That means keep your phone away from your computer when you're at school. Don't eat at the same place you study, don't put toys or games near your school computer, and so on.
- 4) Put your thoughts on paper. This goes back to an earlier lesson I gave our students about goal setting. Simply writing down goals and tasks puts you one step closer to completing them and can be used as a tool to hold yourself accountable.
- 5) Listen to music to block out background noises. Since our students are at home, there can be distractions like brothers and sisters, construction outside, and so much more. We talked about putting on calming music to help drain out that background noise.
- 6) Use social media only at set times. This means, students are not checking these things when they simply feel bored. Planning out times to check these sites and applications can help students stay more focused and on task.
- 7) Be care of liminal moments. This means avoiding distractions like games in between tasks (or perhaps classes). The reason for this is if you start to play a game in between transition periods or classes, you're likely to continue that through the next activity or class. So, avoiding distractions like games completely until all tasks/homework/classes are complete is the most effective way to stay on task and complete work.
- 8) Understand that you are not powerless! Our students have the power and ability to control their urges to play games and find ways of distracting themselves. It doesn't mean it's easy, but it is possible, and it is in their control.

As always, if you have any questions or concerns, please feel free to reach out to me any time. My (virtual) door is always open!

Regards,

Jeff Chelin School Counselor jeffrey.chelin@tcis.ac.th

# Where I'm From

By: Shera

I am from Malaysia
where the smell of spices travels through the air.
I am from the clothes
that old ladies hang outside their apartment.
I am from badminton
and everyone too where I live can play better than I can.

I am from the random sleeping cats that end up fighting each other on my roof.

I am from traditional dried sausages that my aunts and uncles love as well. I am from random cousins which I never heard of until now. I am from the traditional snacks that my country makes incredibly tasty. I am from the tallest twin buildings Located in Kuala Lumpur.

I Am Poem By: Cynthia

I am from food,
from pizza and ramen.
I am from the house,
that was made from stone.
I am from the bush,
the big tree where I felt the wind,
whose long gone limbs, I remember as if they were
my own.

I am from grandma and grandpa from mom and dad. I'm from the cooking and plants, that I ate on the streets.

I am from big geckos and a stick
And Peppa's theme song.
I'm from Chinese New Year.
I'm from Thailand and Taiwan.
Tom yum and curry,
From running away,

taking five children from Vietnam to Taiwan then to Thailand.

And the pictures on the wall.

I Am Poem By: Sherleen

I am from the soft fuzzy blanket
from warmth and light (on the ceiling)
I am from the smooth wooden staircase
And the sparkling crystal on the chandeliers
I am from the fresh smell of flowers and bed of grass
The plant in the shattered vase that belonged to my grandfather
Whom I will remember forever in my heart

I'm from the crackle of the firecrackers and smell of delicious food

From my parents and brother

I'm from my mom's crochet and my dad's happiness

And from my brother who loves (to annoy) me

I'm from false myths and fantasy fairy-tales
And Jingle Bells and Merry Christmas
I'm from the temple
I'm from the clean white hospital in Thailand
And the soft white rice
I am me

# Middle School Math Pathways

For math in middle school, we offer Pre-Algebra in Grade 7. In order to move to Algebra 1 in Grade 8 students must score 80% or higher in both Semesters. Alternatively, students can be placed in Algebra 1 in Grade 8 if they score 70-79% for a class average and pass a cumulative exam with a mark of 80% or above. Any Grade 7 student who does not meet these conditions must take Pre-Algebra Part 2 in Grade 8. For Grade 6, any student who does not have 80% or above for a yearly average will take Pre-Algebra Part 1 in Grade 7 and Pre-Algebra Part 2 in Grade 8.

# Hair Color Requirement at the TCIS

It is a requirement that students at the TCIS maintain their natural hair color. Other colors (including highlights, shading, etc.) are not acceptable. While students enjoy trying new things in Middle School, hair color is not one of those things that we allow students to experiment with.

Section 5.4-2 (page 29) of the Student Parent Handbook (Uniform and Appearance) regarding hair color:

Hairstyles, if considered inappropriate for students in a school setting, will not be allowed. Hair, even if colored, should be of natural hair color or hue.

Plan to bring everything with you in the morning.

Parents/visitors who wish to enter campus are asked to schedule an appointment through the registrar.

- Masks must be worn at all times, including the classroom.
- Students' temperature is checked upon entrance.
- Late students must check in <u>with the Registrar</u> to receive an "Admit to Class" slip. The registrar is located in the main lobby of the middle school.
- Students must use hand-sanitizer before entering school and before entering each classroom.
- Students must sanitize any shared classroom materials/supplies after each use.
- Students sanitize their desks before leaving from every class, with the provided supplies.
- Students must remain socially distant at all times.
- No more than 4 students in the restroom at any given time.
- Students may take their backpacks into their classroom for each block to avoid groups at the lockers.
- MS Students have a 20 minute transition period between classes.
- Students may wear a face shield as well as a mask but not instead of a mask.
- Lunch (Students' temperature is checked upon entrance to the canteen before lunch.

Students in grades 5-8 use the Accelerated Reader program to track their reading comprehension skills and obtain points based on the books they read each quarter. Accelerated Reader is a software tool that allows students to select their own book and then assess whether a student has completed reading the book by asking a

series of questions. We keep track of this each quarter and have a big party at the end of the year. Accelerated Reader is administered by the English Department under the direction of Mr. Ted, our Curriculum Coordinator and Head of English. Students in each grade are required to read independent novels and get points each quarter.

Grade 5 - 12 points

Grade 6 - 15 points

Grade 7 - 20 points

Grade 8 - 25 points

To find a list of books that qualify as Accelerated Reader (AR) books and the points for each book, please go to: <a href="https://www.arbookfind.com/">https://www.arbookfind.com/</a>

# **Student Computers**

The Faculty and Administration believe technology is a powerful and integral part of the TCIS instructional program. While there are many good computers on the market, please understand that the TCIS High School requires MacBooks for all students.

1) **TCIS High School** is a MacBook one-to-one school - MacBooks are required for all grade 9 through 12 students

# 2) TCIS Middle School

- a) MacBooks are recommended for grades 7 & 8 students.
  - i) A Chromebook is acceptable (remember a MacBook is required for grades 9-12)
- b) School owned Chromebooks are provided for grades 5 & 6 students.
- c) All students in Grades 5-8 need access to a computer at their home. Students will be using Google Classroom and various websites for school work. We do recommend a laptop but any computer for home use is fine. iPads and tables are acceptable but have some limitations. Windows-based computers are fine for home use as well but are not allowed on the school network.

# 3) TCIS Elementary School

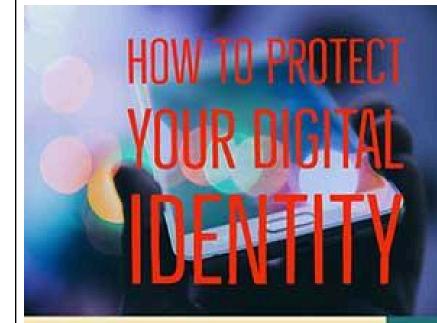

a) School owned technology is provided for elementary students

# TCIS Approved Devices - 2020-2021 School Year

- Grade 9-12 MacBooks (student owned)
- Grade 7 & 8 MacBooks recommended (Chromebooks acceptable) student owned
- Grade 5 & 6 Chromebooks (school owned)
  - PC/Windows based computers are not supported for academics at TCIS.

# **Reporting Student Absences and Tardies**

# (New Process This Year)

Send an email to: registrar@tcis.ac.th

Or

Call the Registrar's Attendance line at: 751-1201

Please notify the registrar as soon as possible of your child's absence or tardiness from school.

A parent or guardian must email the Registrar within one day following the absence.

# **Excused Absences**

For an Absence to be Excused, a parent must email/call in the absence within 24 hours. The reason for the absence must be supported by the factors outlined in the attendance policy:

- Illness with medical documentation
- observation or celebration of a religious holiday
- recovery from accident with medical documentation
- required court attendance with court notice

- death in the family
- other absences that may be deemed acceptable by the Head of Schools or Designee

#### **Unexcused Absences**

If a parent does not email/call in the absence, the student is marked as absent without excuse.

# **Birthday Cupcake Procedures and No Food Deliveries Policy**

At TCIS, we understand that children and parents wish to celebrate birthdays with classmates. It is a big day! While we do allow children to bring in cupcakes to share with classmates, we do have procedures in place that need to be followed.

Please note, no soda, no full birthday cakes, or candles are allowed, as it takes too much time for us to cut and distribute cake to students and to clean up. Of course, candles are dangerous and present a serious fire risk.

# These steps need to be followed:

- The cupcakes must come to school with the student when he/she arrives at school.
   Deliveries are not allowed under any circumstances.
- The cupcake will be given to Ms. Ooy or Dr. Michael in the morning and kept their office
- Do not provide any knives to your child to cut the cupcakes.
- Cupcakes will be distributed only lunch time by the student
- No loss of class instructional time will be allowed due to the celebration

# No Food Deliveries Allowed

No food deliveries are allowed to TCIS at any time during the school day. If a student forgot his/her lunch, do not worry, we will make sure to take care of them on that day. However, please do make sure your child has money on his/her card to use in the canteen.
