

## Fiscal Year 2027 Salary Floors & Ranges

The following positions have salary floors, rather than salary range minimums, midpoints, and maximums. Employees in appointments in the job codes listed below must be paid at or above the appropriate salary floor. Salary floors are based on a 100-percent-time appointment and should be pro-rated accordingly for appointments less than 100 percent time. All floors will become effective June 29, 2026. Please note that these floors should be considered preliminary until the President’s recommended budget is approved by the Board of Regents in June.
