(Please do inform me if any of the information below is incorrect/outdated!)

## KEY

**\*\*All the parts I'm absolutely unsure about are marked with a “?”**

## ROLES EXPLANATION

MAIN/LEAD - (1ST) (PROTAGONIST/ANTAGONIST)	SUPPORTING (2ND)	SIDE/MINOR (3RD)	BACKGROUND (4TH) (EXTRAS/NPC)
The story revolves around these characters, and sometimes the story may be seen from their POV. They also might have the most lines.	These characters are here to “support” the MAIN/LEAD. However, they have their personalities and are more central to the story. They also show up more!	They rarely show up, and don't hold much weight for the plot. They also might not be fully developed.	They only have one line, compared to SIDES. Usually seen in a crowd, or maybe shown in only one scene briefly.

**\*\*\* For the sake of simplicity, I have only marked the MAIN/LEAD antagonist roles I've gotten. (Sorry, other antagonists..)**
