COMERCIAL COMMISSION RULES:

- Comercial commissions has extra charge

The extra charge on the commission will depend on wich commercial way will be used:

For character designs created from the star will be the 100% extra of the full price for the reference made.+ the credit for creative work.

For adoptables designs will be the price posted on it plus the credits for the creative design.

For banners the price will be adjusted to the type and details on the banner.+ the credit for creative work.

For comics:

Comics that will still be posted on my page promoting [products, events,etc] will have and extra charge of the 50% of the total price for length and complexity.+ the credit for creative work.

For comics that will be redistributed as pdf or fisical, will have and extra amount of the 100% of the final price extra + the credit for creative work.

PRIVATE COMMISSION RULES:

For a commission completely private you will have to pay and extra charge of the 100% of the commission full price

For privatizing commissions that have already been posted the extra charge its the 50% of the commission full price

For privatizing commission posted for more than a year 25% of the commission full price.

Why i have these charge rates? As my work depend on the watches and shares to get range and new clients deleting or not sharing at all will be a lost on my work wich depend completely on what I share as my work to sell. Thanks for reading and please be polite about it!
