What is the mobile food pantry?

New Hope Ministries' mobile food pantry provides families in our district with the opportunity to receive food when they don't have enough and/or cannot afford food. The Mobile Food Pantry is open to everyone, no appointments necessary, simply show up during the scheduled times to get enrolled and receive free food! Families will be able to get fresh fruits and vegetables, meats, and other wonderful items. Amount of food will be determined based on the size of the family.

When will the mobile food pantry be available?

The food pantry will then be available the 2nd Tuesday of every month.
