

Chamber Businesses that sign up for the March Madness Business Bracket will be randomly seeded on the bracket. As people vote and the rounds come to an end, winning businesses will advance to the next round and voting starts over. When we get to the end of the month, a CHAMPION business will be named and will receive the grand prize.

To sign up, enter your business name below. Deadline to register is Feb. 23. It's as easy as a half-court shot!
