Online Athletic Clearance FAQ

What is my Username?

Your username is the email address that you registered with.

Multiple Sports

On the first step of the process you have the ability to “Add New Sport”. If you use this option, you fill out the clearance one time and it is applied to the sport selected.

If you complete a clearance and come back at a later date to add a sport, you will “Start New Clearance” and then autofill student and parent information using the dropdown menus on those pages.

Physicals

The physical form can be downloaded on the Files page. As of July 1, 2025, all physicals must be completed on the updated FHSA EL2 form. Page 4 should be completed, signed/dated, and stamped by a physician, along with parent and student signature/date. **ONLY page 4 will need to be uploaded to the clearance.**

Can siblings watch the 3 required videos together?

Yes. When you order each video, be sure to enter each student's name (Ex: Jane and John Smith).

Why haven't I been cleared?

Your school will review the information you have submitted and Clear, Clear for Practice or Deny your student for participation. You will receive an email when the student's status is updated.

My sport is not listed!

Please contact your school's athletic department and ask for your sport to be activated.
