Note to Upper School Families:

- **6th & 7th grade Students** – All 6th & 7th grade students must take both the Reading and Math EOGs; 6th and 7th grade students enrolled in Math I have to take both the Math EOG and Math I EOC. Therefore, *some* 6th & 7th grade students may have to take **3** state-mandated exams.
- **8th grade students** enrolled in Math I only take the Math I EOC, not the Math 8 EOG because they already have a Science EOG. Therefore, *all* 8th grade students will take **3** state-mandated exams.
- **9th grade students** no longer have to take EOGs; therefore, 9th grade students enrolled in Math I or Math III, have to take **1** EOC, but 9th grade students enrolled in Math II or Pre-Calc do not take any state-mandated exams.
- **10th grade students** must take the English II EOC and the Biology EOC; 10th grade students enrolled in Math III, have to take an additional EOC. Therefore, 10th grade students will take **2-3** state-mandated exams.
