My Hope Is in You

Every sunrise brings Your light.
Every heartbeat tells Your love.
You are near in all I do.
My heart finds hope in You.

You are my shelter.
You are my song.
With Your love, I can be strong.

My hope is in You, Lord.
You never leave my side.
You fill my heart with perfect peace.
In Your love I will abide.

My hope is in You, Lord.
Every day Your goodness grows.
Holding tightly to Your hand,
You're the One my heart will know.

Bright tomorrow shines ahead.
Every promise still is true.
Love and mercy lead my way.
Every blessing comes from You.

You are my rock.
You are my guide.
Always faithful by my side.

High above my every fear
Your gentle voice is always near.

My hope is in You, Lord.
You are my shining light.
Every step is filled with grace.

You will lead me day and night.

My hope is in You, Lord.
Forever I will sing.
Every joyful song I raise
Is a gift to Christ my King.

My hope is in You.
Forever true.
Jesus, I belong to You.
