

Here's the updated **Privacy Policy** for both **Google Play** and **Apple App Store**, ensuring compatibility with both platforms and addressing any Apple-specific details:

Privacy Policy for Ace Assassin: Top-Down Anime Action Shooter

Last Updated: [23/09/2024]

Thank you for playing **Ace Assassin: Top-Down Anime Action Shooter** ("Ace Assassin", "we", "us", or "our"). We are committed to protecting your privacy and ensuring a safe gaming experience. This Privacy Policy outlines how we collect, use, and manage your information when you play Ace Assassin, including in-app purchases, advertisements, and the use of third-party services like **Google Play Services** and **Apple Game Center**.

You agree to the terms outlined in this Privacy Policy by downloading and using Ace Assassin. Please read this policy carefully.

1. Information We Collect

1.1 Personal Information

Ace Assassin uses third-party services to log in and identify players. The personal data we collect includes:

- **Game Center Player ID or Google Play Player ID:** Used to create and store a unique player profile.
- **Third-Party Services Account Information:** When you log in via Apple Game Center or Google Play Services, we access basic account information (e.g., Name).

1.2 Non-Personal Information

We also collect non-personal information to improve your gaming experience and game performance. This includes:

- **Device Information:** Model, operating system, and device ID.
- **Game Progress:** In-game actions, levels completed, high scores, achievements, and unlocked items.
- **Game Preferences:** Settings and preferences related to gameplay, such as difficulty level, favorite assassins, and preferred weapons.
- **Anonymous Analytical Data:** Information regarding game crashes, bugs, and general app performance to improve the game.

1.3 Advertising and In-Game Purchases

- **Ad Networks:** We display advertisements in Ace Assassin to provide in-game rewards (e.g., free coins, guns, energy). These ads are provided by third-party ad networks, which may collect information about your interactions with the ads, such as ad views, clicks, and rewards received.
 - **In-App Purchases:** You may make in-app purchases (e.g., coins, energy, or items) via the App Store or Google Play Store. Payment information is not collected or stored by us; all transactions are securely handled by the respective platform.
-

2. How We Use Your Information

We use the collected data to improve your experience in the following ways:

- **Player Data Management:** Player IDs from Game Center or Google Play allow us to store your progress, save rewards, and ensure you can continue playing on any device.
 - **Improving Gameplay:** Non-personal information helps us optimize game performance, fix bugs, and ensure a smooth gaming experience.
 - **Providing Ads and Rewards:** Ads allow us to offer rewards like free guns, energy, and coins. We may share non-personal information with advertising partners to serve relevant ads.
 - **In-App Purchases:** While we enhance gameplay with in-app purchases, payment processing is securely handled by Apple's App Store or Google Play Store.
-

3. Third-Party Services

We use the following third-party services to enhance your experience in Ace Assassin:

- **Apple Game Center** (iOS) and **Google Play Services** (Android): For login, achievements, leaderboards, and player identification.
 - **Advertising Networks:** To display ads and provide in-game rewards. Third-party ad networks may collect device information and other non-personal data to serve targeted ads.
 - **Analytics Providers:** To analyze user behavior and improve game performance. These services collect non-personal data related to your gameplay.
-

4. Data Storage and Security

We take appropriate technical and organizational measures to protect your data against unauthorized access, alteration, or destruction. However, no method of electronic storage or transmission is 100% secure, and we cannot guarantee absolute security.

- Personal data, such as your Player ID, is securely stored using Apple Game Center or Google Play Services platforms.
 - In-game data (such as progress, achievements, and rewards) is tied to your unique Player ID.
-

5. Your Rights

You have the right to:

- Access your personal information stored within the game.
- Delete or request the deletion of your account and related data.
- Opt-out of targeted advertising by adjusting settings in the app or your device.

To exercise these rights or raise concerns, please contact us at **Hello@dotgames.world**.

6. Children's Privacy

Ace Assassin is not intended for children under the age of 13. We do not knowingly collect personal information from children under 13. If we discover that we have inadvertently collected data from a child under 13, we will delete the information as soon as possible.

7. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. If we make significant changes, we will notify you through in-game notifications or by posting the updated policy in the game or on the app store page. Your continued use of Ace Assassin after any such update indicates your acceptance of the new terms.

8. Contact Us

If you have any questions or concerns regarding this Privacy Policy, or if you would like to exercise your rights regarding your data, please contact us at:
