

Iron Man (Fate core)

- **ASPECTS**

High Concept: *Billionaire playboy turned Armored Avenger*

Trouble: *Smartest guy in the room..and he knows it*

Other Aspects: *Soul of an artist, heart of palladium; I can make it better!; It's lonely at the top*

- **SKILLS**

+4 Crafts

+3 Lore, Resources

+2 Drive, Rapport, Shoot

+1 Athletics, Fight, Notice, Will

- **STUNTS**

Tech Genius: Adds +2 to Crafts or Lore when dealing with high-technology.

Charming Scofflaw: Tony's reputation as a rake helps in certain circles. Gain +2 to Rapport when dealing with parties that might find a handsome billionaire genius attractive.

Alternate Armor: Once per session, Tony can reallocate his Extras below to represent an alternate armor design, provided that story permissions grant access to his tech.

- **EXTRAS**

Iron Man Armor: When in his Iron Man armor, Tony Stark has access to the following effects:

- **Gold-Titanium-Alloy Armor (3):** Grants **Armor: 4** vs physical stress. He is also immune to environmental stress up to and including the vacuum of space, provided that his life-support system is online.
- **Super-Strength (5):** The armor's servos greatly enhance the user's physical strength. Add +6 to **Overcome** via Physique while in the armor, and **Weapon: 4** to physical attacks.
- **Weapon Systems (2):** Targeting enhanced weapon systems make the Iron Man a

formidable opponent. Add **+2 to Shoot** at **Weapon: 4** when using the armor's systems.

- **Combat Computer:** Add +2 to Fight or Athletics once per Exchange, when used in Defend or Attack actions.
- **Spectrographic Scanners +HUD:** The Iron Man armor features an on-board computer (JARVIS) driven spectrographic array. Enables +2 to Overcome when sensory superiority can be a factor.
- **Terrestrial Flight:** The Iron Man armor is capable of Mach-2 speed flight: gain +2 to Create an Advantage via Drive while in the armor.
