

# GTAV Gold Medal Challenges Cheat Sheet

by WikiGameGuides.com

## Pro Tips

- You do not need to complete every challenge in one run to get gold
- You can complete these challenges on your first run through a mission
- If you die during a mission, you will automatically **fail** any **time** or **accuracy** challenges
- Cutscenes count against your time! Skip all cutscenes.
- When replaying a mission, you begin the mission with the stats and equipment from your current progress in the game, **not** your progress when you first played the mission
