

Day 5

Luke just nominated Jacob and Jayden for eviction.

Players in Veto Competition:  Lharney,  Goldd96,  JacobBanana,  jakeyy,  ISamEI,  emsledge

Welcome to your first Power of Veto competition.

Today you will be playing Through the Looking Glass!

In this competition, you will attempt to put in order a series of screenshots from a music video.

This music video will be....

P!nk's "Just Like Fire" From the movie Alice Through The Looking Glass!

<https://www.youtube.com/watch?v=5Nrv5teMc9Y>

You will complete this competition in your DR. When you request to begin, you will be given an imgur album with screenshots from this video, each one assigned to a letter of the alphabet.

When submitting, you will give us the order you believe the screenshots appear in the video clip like so: XYZABC.

You will only be able to submit ONCE, and you will not be permitted to change your submission once sent to your Diary Room. Please take note that when you'll get your list of images, the corresponding letter is below the image, not above it.

The houseguest that gets the most correct will win the Power of Veto and have the opportunity to remove one of the nominees from the chopping block.

It's Julia lol: YES

It's Julia lol: WOOOO

It's Julia lol: YES CALIN IS SAFE

Anthony Eats: pls

Anthony Eats: I tried to prevent jayden from being nommed

Anthony Eats: I would have preferred jakeyy or kori to be nominated cause I did tell jayden i'd try to stop him from being nommed but its okay

Jacob Solis: Ugh on the block this week

Jacob Solis: And I'm going out tonight

Jacob Solis: Time to begin the DRUNK SOCIAL GAME

Jacob Solis: I'll just rely on social

jakey: the most underwhelming noms ctfu

jakey: i def couldnt predict the 2 noms but lol he shoulda gone after dean

jakey: unless thats his backdoor idk

jakey: but dean is after him i just dont know if he knows that

jakey: noms are weak!

Dean: I'd evict Jacob rn since he's more active and more likely to ally others

Dean: Jayden isn't as active but he's more likely to stick to just me

Dean: Activity is a must BUT

Dean: I don't think Jayden is inactive

Dean: I like to lead my sheep to slaughter

Dean: The more links to each other and others the less I can lead them

Jayden Osborne: Eh I saw this coming.

Jayden Osborne: My fault because I got the vibe that Team 2 was going to win and got a hint that the person they'd be putting up for HOH was "someone who is great at puzzles and designs them for his TARs on EM all the time ;) ;)"

Jayden Osborne: And I had no clue who that was so I was just like "okay lol"

Jayden Osborne: When I really should've gone and said hi.

Jayden Osborne: The thing with those people from Team 2, is that everyone sans Luke was very like, "Yes lets work together yadda yadda yadda"

Jayden Osborne: But they're doing that with everyone.

Jayden Osborne: Like they definitely didn't put up a fight to keep me off the block.

It's Julia lol: ok its been like 4 days

It's Julia lol: and im in no alliances

It's Julia lol: usually by this time im in like 5

It's Julia lol: THESE MEN SCARE ME

Jayden Osborne: Ugh I hate it.

 Jayden Osborne: I really like Emily and I think she's very nice.

 Jayden Osborne: But every message to the group chat.

 Jayden Osborne: Hello FRIENDS!!!!

 Jayden Osborne: Hi friends!

 Jayden Osborne: Like okay we get it lmfao.

Jake completed the power of veto competition.

 jakey: i hope that took long enough to throw

 jakey: KJFKJFK

 LUKE HARNEY: I think I made the right choice with my noms, there will be little to no backlash most likely, and I will be trying for the POV if I can win it things can happen and plans can fall in place if certain other people win it then things could still fall into place but it's best if i can win it

 LUKE HARNEY: I like how the first HOH is a puzzle and the first POV requires you to pay attention to detail

 LUKE HARNEY: 2 things almost everyone on EM knows I'm good at since I make puzzles

 Jacob Solis: Alright boys I'm right fucked now, and I'm ready to spill some thoughts

 Jacob Solis: I'M FUCKING TILTED THAT I GOT PUT ON THE BLOCK

 Jacob Solis: LUKE IS THE ONLY PERSON I DIDNT TALK TO PERSONALLY OTHER THAN THE SHORT VC WE HAD

 Jacob Solis: AND IT JUST SO HAPPENS THAT HE GETS HOH

 Jacob Solis: like bro

 Jacob Solis: you didn't message me either

 Jacob Solis: fuck

 Jacob Solis: im grinding for this veto rn

 Jacob Solis: taking notes

 Jacob Solis: planning on how I'm going to do htis as fast as possible

 Jacob Solis: I was so drunk at the pub running social

 Jacob Solis: that my friend asked me who i was texting

 Jacob Solis: I then went on to explain what the fuck an ORG was

 Jacob Solis: and then how BigBrother worked

 Jacob Solis: and in the end she's just like

 Jacob Solis: "that sounds dumb"

 Jacob Solis: UGH I NEED TO WIN THIS VETO

 Jayden Osborne: People acting like not playing the veto on me is doing me a favour because "Being seen as a pair would be very toxic for both our games"

 Jayden Osborne: Oh my god you people are all so fake.

 Jayden Osborne: While you're at it, you should evict me too. Like just so no one thinks we're aligned.

 Jayden Osborne: Anyway though, like I can deal with being the first boot like that's fine.

 Jayden Osborne: I will fight like hell to avoid that.

 Jayden Osborne: But still.

 Jayden Osborne: The biggest thing I'll be disappointed over is just that I don't have faith in other people to target those like Anthony, Matt, Agus who all need to go.

 Jayden Osborne: LHarney won't last long because people already think he's annoying.

 Emily: I probably won't try to ... win veto

 Sam: Anyway I like LHarney and I want him to carry me to F2

 Sam: I'm kind of a mess tbh though

 Sam: cause I've been offering alliance to like

 Sam: half the cast

 Sam: and haven't actually made them

 Sam: so I'm SURE someone's going to gun for me later

 Sam: it's only a matter of time

 Sam: It's okay though as predicted Team 1 is taking the heat and a backdoor is incoming.

 Jayden Osborne: I had a chat with Luke and he talked through some stuff with him which was quite nice. He assured me I wasn't the target, and I threw Dean and Team 1 under the bus for talking crap about him.

 Jayden Osborne: He went as far as to say that he'd use the Veto on me if he won which I was very taken back by.

 Jayden Osborne: I'll take it with a grain a salt of course though.

Calin creates the CAPS LOCK CREW alliance    

 Calin (epicyoyo): OK MY DUDES THIS IS THE ONLY ALLIANCE YOU'LL EVER NEED

 Calin (epicyoyo): IF YOU DONT SPEAK IN CAPS HERE, YOU'LL BE REMOVED

 Sam: WHY DID YOYO MAKE AN ALLIANCE

 Sam: WITHOUT TALKING TO THE PEOPLE IN IT FIRST

 Sam: I THOUGHT HE WAS A SANE AND RESPONSIBLE INDIVIDUAL

 Sam: AND OUR GROUP WOULD LEAD A HAPPY LIFE

 Sam: BUT NO! IT'S SO MESSY THAT I HAVE TO

 Sam: PUSH RESPONSIBILITY OFF ONTO HIM

 Sam: WAIT DID YOU TALK TO THEM BEFOREHAND

 Calin (epicyoyo): ABOUT AN ALLIANCE?

 Calin (epicyoyo): NOPE

 Sam: WHY

 Sam: CALIN

 Sam: IN WHAT WORLD DO YOU LIVE IN

 Sam: i

 Sam: I'M ANNOYED

 Sam: I WANT TO RUN THE GAME WITH LOTS OF ALLIANCES BUT IT'S VERY MESSY

 Sam: ALSO I'M SURE PICANTE IS TIRED OF PUTTING UP WITH MY CRAP

 Sam: SINCE I'VE BEEN ANGSTING TO HIM ABOUT ALLIANCES SINCE LIKE

 Sam: D1

Day 6

 It's Julia lol: ok so basically ive been kinda slacking talking to people these last few days because im safe and my sleeping schedule sucks but im fixing that today anyway.

BUT calin starts messaging me and tells me hes in an alliance with sam, scott, and jose... i am kinda sus because i thought i was close with all of them and that theyd ask me to be in an alliance with them but whatever!! i keep this info to myself so calin keeps telling me things... so me and calins plan is to try to split up the house and each of us be in different alliances with different people so people wont think we're close and that we can keep each other safe with each side. i think this is a pretty good idea just so everyone doesnt think im playing everyone. so i tell calin about deans plans to make an alliance with me him and emily and i hope he doesnt tell anyone. also i dont think i have to worry about being the backdoor because both scott and dean have talked shit about him so theyll probably be backdoored which is fine with me we just vote out the other person. OH AND ALSO i told dean about knowing jose before the game to form trust bc i havent told anyone that yet AND i told him about me playing games with emily and being friends with her outside the game. but i also threw emily under the bus and i was like she plays the exact same in every game and i know this bc im hosting her and ive played with her before. dean says he thinks its going to be really hard getting her out and im like.. ik it always is and he deff thinks i am wrapped around his finger when its the other way around!

It's Julia lol: i also wanna make an alliance with me jake scott and emily bc we r the ones who talk about hating men

It's Julia lol: me and calin literally get almost everyone's guesses everyday

It's Julia lol: he gets jose, scott, and sams

It's Julia lol: and i get deans lukes and emilys

It's Julia lol: he he he

Emily: scott

Emily: we should

Emily: get the gays together

scooter tooter: Omg

Emily: and make a gay alliance

scooter tooter: eww gays..

Emily: THERE ARE SO MANY STRAIGHTS

scooter tooter: ok tru tho.. this game reeks of STRAITS

scooter tooter: LMAOMDKFNFB

House Chat

Kori Green: aaryn gries is one of my favorite players in big brother history

Kori Green: Hopefully

Kori Green: I can make it through the rest of the day.

Kori Green: Telling myself I believe that. xD

Kori Green: I probably won't though.

Emily: interesting

Emily: validate that point

Emily: kjFKLDJASKLEADS

José: wtf is this kori

José: JFKLDSFKJA

Kori Green: I can't validate that point to anyone.

Emily: jLFDASKFADS

Kori Green: All I can say...

Kori Green: aaryn gries is one of my favorite players in big brother history

Kori Green: All there is to it.

scooter tooter: wow king

José: Aaryn is the first houseguest to be booed. She would later be followed by Amanda Zuckerman and Christine Brecht, and later on in Big Brother Canada by Neda Kalantar.

José: :?

Kori Green: See

Kori Green: Gamechanger

Kori Green: aaryn gries is one of my favorite players in big brother history

Kori Green: It takes true talent.

Kori Green: To be so universally hated

Kori Green: aaryn gries is one of my favorite players in big brother history

José: but look at trump

José: jfsadkl;fjas;kf

Kori Green: Because she is so awful.

scooter tooter: i love her..

José: SCOTT

scooter tooter: im jk idk her!!

Kori Green: She's an awful person.

José: she is awful

scooter tooter: ohh

Kori Green: aaryn gries is one of my favorite players in big brother history

Kori Green: I wonder how many times one could say it

José: stop

José: STOP

Kori Green: To believe it. xD

José: YOU CAN SAY IT NO TIMES

scooter tooter: wow..

scooter tooter: kori is a diehard fan

Kori Green: Alright this will probably be the last time...

scooter tooter: what placement did aaryn get ???

Kori Green: aaryn gries is one of my favorite players in big brother history

scooter tooter: was she a flop

Kori Green: She was a 1st boot. xD

Emily: this is def a part of the holy grail

Emily: post a controversial opinion in the house chat multiple times

Emily: ryan did it with the ahrre and zees thing

Emily: now kori...

Emily: i see u going for that holy grail, kori!

scooter tooter: omg is kori trying to hint its a quest or smth

scooter tooter: i concluded its a quest and im doing everything in my power to cockblock him like thr tru wingman i am

Kori Green: aaryn gries is one of my favorite players in big brother history

Kori Green: The real question

Kori Green: Is how many times I can say that

scooter tooter: ill help u bud

Kori Green: Until people blowing up right away. xD

scooter tooter: aaryn gries is one of my favorite players in big brother history

Kori Green: aaryn gries is one of my favorite players in big brother history

scooter tooter: aaryn gries is one of my favorite players in big brother history

Kori Green: lmfao.

scooter tooter: we can do it together like fun friendly friends

José: My mood is that people are trying to say their wrong opinions in the chat and we all know it's for the grail (dog)

Kori Green: Alright

Kori Green: aaryn gries is one of my favorite players in big brother history

Emily: egg

wryan: Kori is even more obvious than i was, i'm shook

wryan: Kori highkey lowkey exposing me by being so blatant fjlskadhfhjashdf

wryan: this is neaarly more extrra than my roasting attempt lmao

Anthony searches the Enchanted Compass and finds a paradise pass, which allows him the opportunity to automatically play in a PoV competition when he uses it.

Anthony Eats: again?

Anthony Eats: I've got 2 veto passes?

Anthony Eats: thank u

Anthony Eats: I AM BACKDOOR PROOF

Anthony Eats: U CANNOT BACKDOOR ME

Anthony Eats: I HAVE 2 VETO POWERS

Kori Green: It seems Scott is already aware I'm trying for the grail.

Kori Green: Unsurprising honestly. I'm sure almost everyone saw through it.

Kori Green: It's not like I was being subtle in my attempts.

Kori Green: My only chance is MAYBE when he isn't on.

It's time for the results of the first Power of Veto competition!

jakey:

https://78.media.tumblr.com/295cec60f1ba8e854a41acdffe583940/tumblr_o48ssymx6m1uqvjt7o1_250.gif

jakey: Um

jakey: guess i'll use this opportunity to get a backdoor in motion!

jakey: ctfu

jakey: since no one invited me in their alliances im just gonna be a floater!

jakey: me: accidentally wins first pov

scooter tooter: lets do a TIER LIST IN THIS BITCH

scooter tooter: 1) THE RAPH TO MY CHANELLE

scooter tooter: RYAN!!!! I LOEV IHM SO MUCH

scooter tooter: that's it hes my 1 and only he could stab me in the tit and id love him

scooter tooter: 2) LOYAL HOES WHO I FEEL SAFE W/ BUT LIKE NOT MY RIDE OR DIES

scooter tooter: JAKEY, CALIN, EMILY, JULIA

scooter tooter: they r all utter faves

 scooter tooter: how do I describe the 3rd row of ppl
 scooter tooter: hmmm
 scooter tooter: 3) dirty hets who ill have to backstab
 scooter tooter: agus, Anthony, matt
 scooter tooter: they r nice for now but. the only one I rly trust to the end is matt :/
 scooter tooter: 4) PPL THT I NEED A CLOSER BOND W/ but lowkey they r just not good for my game
 scooter tooter: Sam, jose, dean
 scooter tooter: and then 5) ppl who can leave rn and I wouldn't b affected
 scooter tooter: jayden Jacob luke kori
 scooter tooter: hope u guys enjoy my tierlist.. (hearteyes)
 scooter tooter: I hope I didn't forget anybody.. LFMEJNFG
 scooter tooter: I rly haven't turned over a new leaf its so hard being nice to people and hiding the tru me..

 jakey: ideally i'd like jacob off
 jakey: and someone from team 3 in his place
 jakey: but i dont think luke would do that!
 jakey: if only i had hoh too!
 jakey: ctfu if i pull this off
 jakey: for my game i def need to leave the threats in the game!!!
 jakey: cause when they go i feel like all eyes turn 2 me
 jakey: Ctfu well at least luke prob trusts me now after i just had to play Game Talk™ with him for a half hour

HoH Room

 jakey: i wanted to ask where your head was at cause it's your hoh
 jakey: so it's honestly up to you!
 LUKE HARNEY: what I am thinking is this
 LUKE HARNEY: we know that there's a probable alliance of 4
 LUKE HARNEY: and at the moment there's a 50% chance one of them goes home

 LUKE HARNEY: but if you were to save the nom thats not in the alliance of 4 (gold), It means there is a 100% someone from that alliance leaves

 LUKE HARNEY: as someone else from that group would be the renom

 jakey: i agree but hear me out bc i think there's some stuff you don't know

 jakey: before you won hoh apparently some people were turned off by you

 LUKE HARNEY: I'm all ears and again its your POV, its merely a suggestion from me

 jakey: im not entirely sure why tbh but something about you going on a call and not talking one night??

 LUKE HARNEY: I know what you are referring

 jakey: oh okay i didnt know if u knew gkjgk

 LUKE HARNEY: I had dropped my phone and I didn't know I had joined the call at first

 LUKE HARNEY: I left as soon as I found out I was in it

 LUKE HARNEY: but you said people, I know of one person particularly who was using that to put a target on my back

 jakey: dean??

 LUKE HARNEY: yes Dean

 LUKE HARNEY: but this must remain secret

 jakey: yeah i wont say shit lmao

 LUKE HARNEY: so if you were to use the POV, thats who the renom would be

 LUKE HARNEY: and it means that someone from the probable alliance goes home

 LUKE HARNEY: which is good for us

 jakey: but our options standing are:

1) go after team 1 and get one of them out to weaken their numbers

2) leave team 1 in the game as a shield/threats in front of us

 LUKE HARNEY: that is true I hadn't thought of it that way

 jakey: cause my only worry is... it's week one and the people standing out are team 1, and us as comp winners

 jakey: i think if dean won hoh you'd be nominated but i think more people are willing to go after dean than you

 LUKE HARNEY: I see your point completely, my fear is Dean will slowly continue painting a target on my back because of the whole skype call thing

 jakey: he's already been trying and no one really cares except for his team

 LUKE HARNEY: And while there are some people who won't nom me because of this, there are definitely some who very well might

 LUKE HARNEY: that is new info, from my perspective he was swaying some other people besides his team but i could be wrong

 jakey: nnnn who??

 LUKE HARNEY: I trust you and I believe what you are saying

 jakey: like i said i dont know much bc not many ppl tell me things

 LUKE HARNEY: When I was talking to people about HOH/noms multiple people warned me he was doing that and spreading it to everyone, those who told me said they weren't for it, but there are people who didn't mention anything at all about it which kinda worries me

 jakey: i also think you could contain dean by being extremely fake with him and telling him everything he wants to hear so he sees you as a loyal ally rather than his enemy

 jakey: people might have just not wanted to get involved

 LUKE HARNEY: That could work too, it just nervewracking to know someone is painting a target on your back week 1

 LUKE HARNEY: Like i said it is your POV and you have to make the decision

 LUKE HARNEY: and I will respect the decision you make

 jakey: im just glad youre completelty aware about everything

 jakey: like you 100% have the information and skills to outplay him

 LUKE HARNEY: exactly, I just need to keep it that way

 jakey: my only worry is taking dean out leaves us as next targets

 LUKE HARNEY: I see your point completely, and maybe we can use them as targets

 jakey: i honestly dont see dean making the jury

 jakey: jfjkfkj

 LUKE HARNEY: the only reason I was thinking of doing it is because I had 2 solid reasons to make the move and everyone would understand why I made a move like that, but you have a good point and it probably is better to use his group as a shield

 LUKE HARNEY: i don't either tbh

 jakey: yah i feel you

 jakey: i'd be nervous too

 jakey: we just gotta remember this game is a marathon

jakey: sometimes the obvious move isnt always the smartest

jakey: and the subtle moves are!

LUKE HARNEY: agreed, I guess I got blinded by this big move I could make and didn't realize it might not be the best time to make it

LUKE HARNEY: but I feel more comfortable using them as a shield now

jakey: i agreee now i think we should talk about leaving jacob up there

jakey: is that smart??

jakey: cause even getting one member of them out would lessen their threat status

jakey: and i feel like he'd def go over jayden

LUKE HARNEY: I agree, the thing is I have no idea who I would renom

jakey: true

jakey: it'd have to be someone from team 3 i guess

jakey: how do u feel ab them

jakey: idek who it is hold on

jakey: FannyChmelar

jakey: ISamEI

jakey: Picante

jakey: those 3 haha

jakey: unless u wanted to nom calin or kori but ryan might get mad

LUKE HARNEY: I made a deal and I have to stick with it

jakey: loyal king

LUKE HARNEY: so it would be one of those 3

jakey: so scott, jose, and sam

jakey: do u not feel good w any of them

LUKE HARNEY: tbh not really because it would cause major backlash on me, they all trust me rn and its something we can use to further us in the game

jakey: okayyyy thats fine!

LUKE HARNEY: renomming any of them would put a big target on my back and that's not good

jakey: i can leave noms the same and focus on getting jayden out

LUKE HARNEY: that could work

jakey: that seems like our best plan of action

jakey: Kori just said to me he thinks Jayden would go if noms were the same

jakey: so that makes me feel better

LUKE HARNEY: and if worse comes to worse and Jacob goes we can still use the remaining three as a shield

jakey: yeah it's not worst case scenario but not best

LUKE HARNEY: so its not like we are completely screwed if Jacob ends up going, its not the best but its not the worse, exactly

jakey: sounds goood

Kori Green: Honestly if I haven't already tanked my game I should probably quit
Kori Green: Jose already insisted that Ryan did this same thing already and knows it's a Grail task.

Kori Green: So I should just quit while I

Kori Green: still have a chance of saving my own skin.

Kori Green: Which honestly I may have ruined at this point.

Kori Green: I know I'm unlikely to get renominated today.

Kori Green: But since it seems obvious that it's a grail task and someone was doing it already. (I didn't know since I don't read every message I miss.) I've likely got a target on my back now.

Kori Green: Sigh I've got a lot of work cut out for me then.

CAPS LOCK CREW

Calin (epicyoyo): HAVE YOU GUYS THOUGHT ABOUT WHO U WANNA GET OUT?

Calin (epicyoyo): I DONT KNOW ANY OF THEM SO FOR ME ITS ALMOST IRRELEVANT

Sam: WAIT TILL AFTER POV

Sam: IDK RIGHT NOW EVERYONE THINKS THERE'S A GRAND TEAM 1 CONSPIRACY THOUGH

Sam: SO DO WE WANT TO PUT ON TIN FOIL HATS OR NAH

Calin (epicyoyo): WAIT WHOS ON T1?

Sam: TEAM 1 WAS FORMED IN LIKE A MINUTE WITH

Sam: DEAN EMILY JULIA AND JACOB

Sam: THEY'RE ALL PRETTY COOL THOUGH

Sam: SOME PEOPLE ARE PARANOID THAT THEY'RE IN A COOL KIDS CLUB

Calin (epicyoyo): YEAH IM PRETTY SURE AT LEAST 3 OF THEM ARE IN AN ALLIANCE

scooter tooter: YA THAT WAS SPOOKY TBH MADE ME PISS A LITTLE

Calin (epicyoyo): NOT SO COOL KIDS THO

scooter tooter: 'AT LEAST 3 OF THEM' BITCH THERE ARE ONLY 4

Sam: anyway I feel like

Sam: MmMMMMMMMM

Sam: I think the most floaty thing to do here would be to follow the hoh

Sam: he'll probably win later, so not using it would be a good idea if that would tick him off

Sam: but if he wants it to be used on someone, using it would make 2 people be grateful towards you

Sam: the hoh and whoever you save

Sam: MMMMmMMmMMmMMmMMmMMm

Sam: anyway that's just my two cents so we can both float the high seas the best we can

jakey: <https://thumbs.gfycat.com/FlickeringBlondKingbird-max-1mb.gif>

jakey: who does this freak even think he is

jakey: u don't talk to me and now ur trying to influence a decision on the game

jakey: sweetie...

jakey: get the social part down before u move onto strategy!

Sam: here's some good plot quotes

Sam: I know a lot of people have been shit talking LHarney though from team one. So I was kind of hoping he'd put up those people. They think he's weird because LHarney like, started joining their group calls and just sitting there on video but not talking to them.

Luke: another reason I suspect them, and this must stay secret, is that dean tried spreading the fact that I would be a good target since I went on a skype call and apparently didn't talk, but 1) i had dropped my phone and somehow accidentally joined it, and 2)I left the call as soon as i realized I was in it

Sam: Lharney's lurking is a double-edged sword

Sam: I heard Jakey wants me out I'm sad

Sam: that's so rude

Jakeyy walks in with the Power of Veto around their neck.

Jakeyy: Welcome to the Power of Veto ceremony. LHarney has nominated Goldd96 and JacobBanana for eviction. As Power of Veto holder, I have the ability to veto one of these nominations. I have chosen...

Jakeyy: Not to use the Power of Veto.

Jakeyy: This week has taught me one valuable lesson.... the power of P!NK is a lot stronger than I anticipated. Buy Beautiful Trauma™ on iTunes OR at your local Best Buy TODAY!

Jakeyy: This veto ceremony is adjourned.

The final nominees are  Goldd96 and  JacobBanana.

Jacob Solis: Damn no veto

Jacob Solis: Well hopefully I can rally the troops and Jake^2 can live on

Emily: i was calling with Jose earlier and omg

Emily: we were talking about how my straight people are in this game and stuff and then we went down the list and pointed out the straights to me

Emily: and then we got to Sam

Emily: and he was like he's straight

Emily: and i was like what??

Emily: and he was like yeah he's just a weeb

Emily: KFAJDSFKLAJSDLKFJALSLSA

Emily: AND I SCREAMED

Emily: IT WAS SO FUNNY

 wryan: im kinda glad i didnt win hoh even tho i wanted it at the time bc 1. i def would not have made all this progress in the holy grail stuff if i was focusing on being hoh, and 2. i made it to week 2 ANYWAY so whew win/win

 Sam: this will be the vote tally

 Sam: maybe

 Sam: Anthony, Calin, Pica, Scott, Amelio, Wryan, me, Matt, vote to save Jayden.

 Sam: Kori, Dean, Julia, Jakey, Emily, vote to save Jacob.

 Sam: The vote is 7-5 Jacob evicted

 Sam: jayden seems more authentic to me

 Sam: also Jacob seems tighter with people who are not with me

 Sam: Jakeyy wanted LHarney to nom me, and Jakkey wanted to save Jacob.

 Sam: Therefore by the transitive property Jacob wants to nom me

 Sam: jk that's not how things work

 Sam: but I'd prefer to save someone who my friends support rather than someone supported with my enemies

 Dean: Also I'm pretty sure Jayden is talking a bit out of his ass with the entire

 Dean: Everyone thinks team one is all together

 Dean: But I want him in anyways

 agus strider: I think its going to be a close vote

 agus strider: but Jacob should be out

 agus strider: probably like 8-5

 agus strider: I feel bad for him because he seems nice and its only his second ORG

 agus strider: but also he put himself a target

 agus strider: plus I talked to jayden quite a bit so

 agus strider: shrugs

 goldd96: Okay so that wasn't a surprise, again.

 goldd96: I'm doing my rounds to campaign at the moment.

 golddd96: Hopefully you know that like, I'm obviously with you and probably feel like you're one of the people I'm closest with.

 golddd96: If I stay I'm obviously not nominating or campaigning against you or anything like that ever.

 golddd96: So yes please vote to keep me, I'd love you forever.

 golddd96: I literally don't have a single alliance, and I think Jacob is a much better person to get rid of than I am.

 agus strider: I also feel close to you, so chances are that I will be saving you unless something huge happens

 agus strider: i would campaign to people like jakeyy and korii

 agus strider: since theyre likely to not have a strong posture one way or the other

 golddd96: That's what I'm doing

 golddd96: But yes cheers

 golddd96: I really really appreciate your vote

 golddd96: And your honesty tbh lmfao

 agus strider: LOL yeah for sure

 agus strider: its very unlikely that I will vote you out, if I end up doing it for whatever reason I promise ill let you know beforehand

 agus strider: just try to campaign to other people as well, I'm not a "eh ill go with majority" guy normally but it would also be good if its that way ideally LOL

 agus strider: I actually do believe I'm one of his closest people, he was nominated for having a poor social game (as far as the house knows) and we've talked quite a bit so I wouldn't be surprised

 deandean: I figured Jacob had a social game seeing how he threw together the fucking first team so fast

 deandean: Surprised to see pitchforks thrown against him

 agus strider: I think that's actually what's making people paranoid

 agus strider: but I haven't talked to that many people

 agus strider: i just have talked more to jayden than him

 deandean: I'm hearing it made people paranoid too

 deandean: Yeah no the last thing I want is a fucking target towards me

 agus strider: yeah for sure

agus strider: maybe itll help you if you vote him out

agus strider: but honestly im not going to be campaigning for either of them or anything

agus strider: so do whatever you want

agus strider: LOL

agus strider: dean figured out that people are onto him and the rest, so he's probably just throwing Jacob UTB to save his own ass in future weeks

agus strider: even if hes being honest, that works out for me

jakey: im legit not winning pov unless i have to

jakey: ever again

wryan: lol @ you being the only one to get a perf score

jakey: everyone fucing sucked

jakey: i legit tried throwing it

jakey: ITS NOT HARD TO WATCH A MUSIC VIDEO AND PUT THE SCREENSHOTS IN ORDER

jakey: KJGKJGJGK

wryan: im hungry for power imma try to not throw anything

wryan: LITERALLYAKJDF

wryan: my last bb game that comp ended in like at least an 8-way tie lmao

jakey: im making an alliance w all the POV players and just winning all the competitions

wryan: lkdfjas each week a new pov alliance

jakey: jk some were prob throwing anyway

wryan: thaats prob tea

jakey: also like.... i kinda want jacob to stay only bc keeping the "team 1 alliance" thing in seems smart bc theyre targets

jakey: but also like i aint shakin up the house for jacob

jakey: who i dont talk to

jakey: kjjkJKF

wryan: meeeeee

wryan: that isnt a bad idea ppl keep bringing that up

jakey: its legit week 1

jakey: ppl are so stupid keep the targets!!!

jakey: but i think jayden has allies

jakey: in some ppl

jakey: i guess

wryan: sheesh the way jakey is talking making it sound like the house is splitting in two and im right in the middle nnn i dont want that???

It's Julia lol: me and jake are making an all gays alliance

It's Julia lol: which hopefully will keep me safe because these fatties think im working with jacob

It's Julia lol: i am DONE

It's Julia lol: jayden is so annoying i want him gone

It's Julia lol: im going to get dean to win hoh

It's Julia lol: and nomiante jayden

It's Julia lol: he he he

It's Julia lol: jayden doesnt know what its like to get on my badside

It's Julia lol: and i want him to know i am not a woman that can just be ducking threatened

It's Julia lol: hes safe this week but i will get my way and he will go prejury

It's Julia lol: jake wants to flip the votes to get jayden out and i want to so back but that would be back for my game. people would think we're an alliance and target us

It's Julia lol: so i need him gone

It's Julia lol: and also if jayden is already rubbing people the wrong way i can easily get people to nominate him bye bye

wryan: uhh i've been pretty firmly leaning toward evicting Jacob since the nom ceremony

wryan: for a couple reasons like he was in the first hoh group which put a target on him

 wryan: second, i dont have aa genuine connection with him (yet?) and idk he doesnt feel like someone i can jive with on a game level, at least aat the moment

 wryan: and in regards to jayden

 wryan: i definitely get a better vibe from him, more genuine

 wryan: it's felt like he has been slacking socially up to this point and thts mainly why he's nominated and i feel like i can use a person like that

 wryan: but now looking it back and hearing jakey say he's campaigning hardcore to everyone hmm

 wryan: i mean i dont blaame him?? lmao thats what he should be dooing

 wryan: but i've definitely started building a foundation with Jayden and not at all with Jacob so that's most likely where my vote will end up idk if i'll be swayed

 wryan: also i lowkey don't want an alliance with jakey/the girls/scott... i'd rather it just be me/jakey/scott i think?? at least that's what i've been pondering the past couple days. then again i am kinda concerned about the future and how the girls will affect my game

 wryan: like i either need to decide soon to target them or build a game relationship with them

 wryan: so ig that alliance could provide that... but i really don't want to turn myself into the middle man if i can prevent it hm.

 wryan: but shiiiiiid at least ppl wanna work w me aand i have options (inlove)

 It's Julia lol: me and emily keep getting grouper together

 It's Julia lol: like i don't think i'm about to be in an alliance without people suggesting her too

 Dean: Nobody wants to make waves sans Jakey

 Dean: I gave jakey info to see what he does with it. It's early enough I can go I was just saving my own ass

 Dean: And people will understand

 Emily: im calling with mr dean

 Emily: working the social game with all the people i don't need to

 Jayden Osborne: I've obviously flopped.

 Jayden Osborne: But if I can survive this eviction, I'll be happy I went through being on the block. I just have a little bit better of a read in regards to who is cool and who is full of crap.

 Jayden Osborne: I still believe that everyone within Team 2 are the people that are by far the most dangerous.

 Jayden Osborne: If I was evicted tomorrow and had money to bet on anybody, I'll gamble on Anthony.

 Jayden Osborne: Anthony is also who I'd 100% try to evict if I managed to survive and get power sometime soon.

 Jayden Osborne: He's very buddy buddy to my face but I've gotten the feeling that I'm super disposable to him and I don't believe that he put any effort into stopping me from being nominated this week.

 Jayden Osborne: Luke is a strange person. It didn't even cross my mind that he would reasonably use the Power of Veto on me if he were to win it, like why would he? Yet when I had a conversation with him he told me that it was something he was strongly considering doing.

 Jayden Osborne: Which I was really shocked at.

 Jayden Osborne: When Jake won the Veto he made it very clear though that Luke had given him instructions to not use the Veto and he'd be pissed if it were used.

 Jayden Osborne: It was just a strange thing to lie about.

 Jayden Osborne: It's like going down on one knee and faking a proposal to your girlfriend only to pull out the ring and it's like a cheeto or something and everything was a joke.

 Jayden Osborne: Like it's so extra, lmfao.

 Jayden Osborne: You could've just told me you didn't want to go through the trouble of naming a renom and I would've been like, yeah duh ofc.

 Jayden Osborne: Oh but yes back to my predictions if I leave is that Team 2 plus a few stragglers will all be endgame and refuse to target each other, Team 1 & 4 will be the first people picked off. Everyone else on Team 3 besides myself should do well-ish but not win.

 Jacob Solis: Late Night Update: Koris losing his mind

 Jacob Solis: In terms of game, i understand why luke didnt let Jake pull me off, I'm pretty sure jake was telling the truth that hed save me but I'm always unsure

 Jacob Solis: My core consists of kori and beast but we havent really planned much but I count on their vote.

 Jacob Solis: The next would probably be Jose/Emily/Julia/Jake who i think will probobly vote to save me just based off our social interactions

 Jacob Solis: I sorta trust dean/anthonty/ryan but i dont know where their voted will land.

 Jacob Solis: I need 7 to keep playing and I sure as hell want to stay. Lets hope my work/my core allies work can keep me up

 Jacob Solis: Goodnight for now hosts, hopefully I'll be saying goodnight to you again tomorrow...

Day 7

 It's Julia lol: soo calin told me that i have a target on my back for being close with dean and emily

 It's Julia lol: but i think after this week me and emily wont be grouped with dean anymore if we make the gay alliance

 It's Julia lol: literally i dont think anyone would nominate me besides jayden or kori

 It's Julia lol: idk if i want to try for hoh

Agus goes to the deck of cards and defeats the Queen of Hearts, only to find out that the powers are already gone.

 agus strider: so someone already took my cool powers and ive been wasting my days!!! Sad!!!

 Jayden Osborne: I was just about to go to bed but have been struck with this big like “you haven’t done enough!!!!” wave of paranoia.

 Jayden Osborne: I’m trying to count up votes and still am a bit ???

 Jayden Osborne: I feel like... 70% confident that I’ll stay (famous last words lol)

 Jayden Osborne: But I think it’ll be a landslide vote

 Jayden Osborne: Since no one cares enough about either Jacob or I to stick their necks out for us

 Jayden Osborne: So people will just be going with “the numbers”

 Jayden Osborne: Which like... ugh is so boring.

 Jayden Osborne: I can deal with being first out but honestly would just mostly be disappointed because I feel like I at least owed it to you guys to help put on a good season

 Jayden Osborne: And everything I've done so far has just been very low key

 Jayden Osborne: I feel it's what I kind of need to do to have a chance at surviving

 Jayden Osborne: But if it doesn't work out then it's all pretty lame

 Jayden Osborne: I wouldn't even get to be a fun, lulzy first boot lmfao

 Jayden Osborne: I hooope so badly that I can stay

 Jayden Osborne: I think I already have a few regrets with how I campaigned to people but I'm trying to correct that before it's too late

 Jayden Osborne: Hopefully I'll survive

Fantastic Four    

 agus strider: hello I got some juicy info

 agus strider: if you search in the DECK OF CARDS you would get to play a minigame and if you won there was an ATTACK and a DEFENSE reward but they were both taken by this morning so that's something to be careful about

 Anthony Eats: ooh interesting

 wryan: omg

 wryan: do we know who searched there

 Anthony Eats: I can check

 Anthony Eats: korimax searched there

 wryan: nnnn

 Anthony Eats: who wants me to blow up korimax's spot

 Anthony Eats: jkjk

 wryan: i would love to see that lol

 Anthony Eats: but yeah kori definitely has something

 wryan: he caan go lol

 Anthony Eats: also what was that aaryn gries shit

 wryan: idk but that was annoying and sketchy

 Anthony Eats: I was rereading and he kept saying it

 Anthony Eats: highkey one of us should win hoh and snuff that out

Anthony Eats: can i say that Jacob is basically going home because they got a team together too quickly, and that LHarney happened to be someone he didn't talk to as much, and he basically did nothing wrong other than that

Anthony Eats: and he's going to probably leave and it's kinda unjustified but I'm kind of going with the flow as of rn

Anthony Eats: like Dean likes him but he's voting him out because he doesn't want an alliance rumor floating around about him

wryan: btw do you know of anyone that has searched the deck of cards?

wryan: Agustin told me that there's some ATTACK and DEFENSE challenges for some prize? but they're both taken

scooter tooter: omg idk

scooter tooter: im positive some1 has told me that tho

wryan: he said Kori searched there smh

scooter tooter: ooo

scooter tooter: im positive some1 searched that before..?

scooter tooter: let me go back on my convos with ppl

scooter tooter: matt checked the cards on wednesday

wryan: wig

scooter tooter: at least thats wat he said..

scooter tooter: He said there was nothing ://

wryan: he def lied then oop

wryan: bc he would have been offered the challenges either waay

scooter tooter: yaaa

scooter tooter: :(((

Sam: Okay Kori's the next target too b/c he has an advantage maybe

Sam: Meanwhile I'm going to target Jakeyy > : (

Sam: I suppose the next nomset might be some mixture of jakey, kori, and dean.

Sam: That'd be fine with me.

Sam: Isn't it annoying when everyone in the game probably has an opinion

Sam: but they never tell it straight to your face

Sam: ik it's good gameplay to shift everything onto someone else

Sam: but why don't you have some agency??

Sam: Like "oh I'll vote where the house goes"

Sam: NO

Sam: YOU SHOULD VOTE WHERE YOU GO

Sam: people flip flop like they're pool noodles but the pool noodles are filled with snakes

Matt Beastman: so in regards to this vote, I'm not sure who i want to vote out yet

Matt Beastman: i enjoy both of them

Matt Beastman: i would prefer to keep Jacob, but the whispers of a team 1 alliance has got many people scared and wanting to take them out before it snowballs into something big

Matt Beastman: a couple people have told me straight up they are voting jacob

Matt Beastman: but most people seem on the fence and unsure

LUKE HARNEY: So I just got some very interesting info that helps me, thanks to a reliable source I now have a real good idea who has the defensive advantage from the deck of cards

LUKE HARNEY: most likely the person with the defensive advantage from the deck of cards is

LUKE HARNEY: .

LUKE HARNEY: .

LUKE HARNEY: .

LUKE HARNEY: Korimax

LUKE HARNEY: and best yet the person who told me thinks it's a complete bluff

LUKE HARNEY: from Kori about the deck of cards so that is an added bonus

Jayden Osborne: Everybody is soooo cagey and non-committal.

Jayden Osborne: People are just really into preserving their UTR status.

The eviction ceremony has started

Jayden Osborne: I AM GOING TO MURDER EVERYONE THAT KEEPS TAKING A QUESTION

 Jayden Osborne: FUCKKKKKK OFFFFFFFFF.

 Jayden Osborne: I just need to know the results. :'(

 Jayden Osborne: Please wrap it up! </3

 Jayden Osborne: DO NOT PROMPT FOR MORE QUESTION

 Jayden Osborne: I've had WrestleMania on mute for 20 minutes I've missed a full match waiting for this

Players cast their vote:

By a vote of...

13-0...

Jacob...

You've been evicted from the Big Brother House.

 Jacob walks out the front door.

Goodbye Messages:

Agus - There was a wave of paranoia surrounding you because of how quickly your group for the HoH was formed. I'm unaware of whether or not you were personally responsible for it, but it meant that you were well connected with a few people regardless of whether or not there was a proper alliance. So I won't be surprised if you leave. That being said, it is a shame that this nomination was between two people I enjoyed talking to, and I hope you play another EM ORG soon and do better, because I do think you had potential to do well. No hard feelings.

Anthony - I'm sorry that it's you this week, I really do wish you could have stayed here longer, but others felt too paranoid about how quickly your HoH team formed, and you ended up the odd man out. I really disagree with you going here but it's too early for me to try and make a move. you're a great guy and it's gonna be sad without you here

Calin - Uh i feel sorry dude, maybe we'll get to get drunk sometime :(didn't had a lotta time to actually get to know you but u seem chill! Gl in life i guess? <3

Dean - You're a good guy but you made people spooked team 1 was a big ol alliance. Well it sorta was. The three of us without you. Would have voted to save you if you had the votes. Rip.

Emily - I'm sorry bud): I wish things worked out better this week. you're super sweet and I'm going to miss you! <3

Jake - rip kingy. i didn't want u gone this week but every single other person felt otherwise so oh well! gl w everything ily jacob^2

Jayden - I'd be lying if I said I wasn't a little happy to see you go, selfishly, haha — but I wish it could've been someone else. I don't think you did much wrong, just shitty luck. It was nice meeting you though, take care man.

Jose - Sorry dude, legit we just didn't click much afsjaklsdjfas so I apologize on that :/ I hope this doesn't deter you from playing other orgs, you just got dealt with a bad hand here hermano :/

Julia - i am so sorry it had to be this way. i really enjoyed talking to you and getting to know you but people were grouping us together in an alliance and you staying would've ended up with us both being targeted. im so sorry and i really tried to see if i could flip the votes but no one wanted to. i'm so happy i got to meet you and i hope to see you in some tumblr games soon!!

Kori - Sorry things went down the way they did mate, a part of me was really hoping it'd be the other guy, but the grapevine led me to believe this was how it was gonna be. I wish you luck towards the future though.

Luke - It was nice speaking with you and I'm glad you understood why I nommed you, It was nice being able to talk those couple of times and to play the game with you.

Matt - When i saw you in the game, i instantly wanted to work with you. But the fear of a Team 1 alliance took over everyone's thoughts and you became the fall back target because of the lack of connection you had with Luke. Sucks you gotta go so soon dude. See ya around.

Ryan - hey man sorry you were the sacrificial lamb. it's week one and there's not much to go off so i based my vote on which of you i felt had bigger potential to help me moving forward, and yeah. you seem like a cool guy and a nice presence in the house so i wish you the best

Sam - Unfortunately, the speed which you made the group in the challenge made it easy to cast you as in an alliance. I voted you out because I suspected that if push came to shove, you might not have my back. I also knew that Jakeyy wanted LH to nom me, and that Jakeyy also wanted to save you from the block. While that says nothing about your opinion on me, I think in the long run keeping Jayden would keep me longer in the game. Bad luck, and I hope you get to return to EMBB.

Scott - sorry bud!! we didnt talk so this was kinda easy lol
