----------------------	--------------------------------------	------------------------------------

Section VI				
Designations				
• C: Compliant: Substantiated by appropriate directives and documentation proofs. • FM / IP: File Maintenance / In Progress: Proofs in the file were insufficient to prove compliance with the standard. In such cases, additional proofs of compliance needed to be added, proofs of compliance in the files needed to be removed, and/or there were miscellaneous file formatting issues. • NC: Not Compliant: Directive and/or documentation proofs do not reveal compliance with the standard. • N/A: Not Applicable: If your agency does not offer a service or function as required in a standard, then this standard does not apply to you and may be marked NA.				
Summary of Standards
