Tastes BETTER than homemade!

We're long-time fans of Ruth's extra fudgy Chocolate and Chocolate Walnut Brownies - they're very dense and moist and taste like they just came out of the oven. The brownies arrive festively packaged in colorful tissue paper and boxes (especially the Birthday Box - it's beautiful!). Ruth's Brownie Barks are especially wonderful and make fun gifts - we love the walnut and toffee crunch barks. If, on the off chance, any brownies are left uneaten, they freeze and defrost well, tasting as great as the day you receive them.
