

Math Junior Privacy Policy

Effective date: December 18, 2019

Math Junior ("us", "we", "our", or "app") operates the Math Junior mobile application (the "Service").

This page informs you of our policies regarding the collection, use, and disclosure of personal data when you use our Service and the choices you have associated with that data.

Information Collection And Use:

We **WILL NOT** collect any information from you. Any data that is saved within the app will exist SOLELY on the device being used and is non-transferrable.

Disclosure Of Data:

Math Junior **DOES NOT** collect any data from end users, and as such does not have any data about you to provide in a legal situation/obligation.

Deleting Data:

Math Junior does not require any account(s). All data that you create, stays on your device. If you ever want to delete this data, go to settings and tap "Clear All Saved Data".

Children's Privacy:

We never collect or maintain any user information within this app.

This app **DOES NOT** provide links to 3rd party sites or collect any data of any kind.

Our top priority is child safety.

California Online Privacy Protection Act Compliance:

We comply with the California Online Privacy Protection Act.

We therefore will never distribute your personal information to outside parties.

Information for European Union Customers:

We do not collect, store, ask for, or manage any user data.

Any data that the user enters within the app stays on the user's device.

Changes To This Privacy Policy:

We may update our Privacy Policy from time to time.

Any changes will prompt you to re-agree to this Privacy Policy.

Your Consent:

By using this app, you consent to this privacy policy.
