Some Executive Committee members may need a committee to assist them in carrying out their duties. In such cases, the Executive Committee member shall serve as the chair of the committee and propose membership and duties to the Chair who will make the appointment using the procedure described above. Due to the rotation of officers on the Executive Committee, such committees will serve only during the tenure in office of the Executive Committee member who proposed the members.

By October 1, the MAA will distribute to the SIGMAA members instructions for voting, and voting must be completed by October 31. The electronic ballot will indicate that write-in votes are permitted. The winner will be the candidate receiving the most votes. Ties will be broken by a process supervised by the MAA.

If fewer than 20 members vote, the current officers will remain in office until further deliberate actions are taken to achieve a quorum (see section V.1 for the definition of quorum.)

Note: The use of the term "electronic" throughout this document will be understood to refer to any widely accepted form of electronic communication, such as email, discussion board, conference call, or survey.

Elections of the Executive Committee

(d) Should an office other than chair become vacant midterm, the SIGMAA Executive Committee, in consultation with the most recent Nominating Committee, will appoint a member of the SIGMAA to fill that office for the remainder of the term of office. Should the office of Chair become vacant midterm, the SIGMAA Executive Committee will appoint a member of the SIGMAA Executive Committee to fill the office of Chair for the remainder of the term. Should this appointment in turn create a vacant office, the SIGMAA Executive Committee will fill the vacant position according to the rules just given.

Article IV. Activities

Section 1. SIGMAAs are a program of the MAA and are not separate entities from the association. For this reason, all administrative, financial and programmatic activities of the SIGMAAs must operate in a manner consistent with MAA operating procedures in order to maintain the tax-exempt status of the association. To the extent that any SIGMAA charter contradicts the policies and procedures of the MAA, the MAA policies and procedures will supersede.

Section 2. This SIGMAA will engage in at least 5 types of activities including, but not limited to, the following:

- talks
- conferences
- publications
- mentoring
- listserv of the membership for the purposes of sharing information.

Section 3. Interactions within the association

(a) SIGMAA on RUME seeks to build relationships with all other organizations concerned with the learning and teaching of mathematics at all levels, from pre-school to graduate school. SIGMAA on RUME conducts its activities within the structure of the MAA. Many activities of SIGMAA on RUME will relate to the work being coordinated by the MAA Council on Education (COE) and whether this council is the one to which

SIGMAA on RUME is assigned or not, the leadership of SIGMAA on RUME will work with COE to assure that SIGMAA on RUME education activities are, in effect, under COE coordination. In particular, some of SIGMAA on RUME'S activities may relate to the work of the MAA Committee on the Mathematical Education of Teachers and perhaps other committees as well. In all cases, SIGMAA on RUME will consult with the appropriate MAA Council for coordination.

- (b) Any product of the SIGMAA belongs to the MAA; therefore, the SIGMAA Chair should collect signed copyright agreements from the creators of the product.
- (c) Reports of SIGMAA activities will be included in an annual report submitted by the SIGMAA Chair to the MAA Committee on SIGMAAs Chair.

Article V. Membership Meetings

Section 1. Quorum

A quorum at any membership meeting, including electronic meetings, will consist of at least 20 members, at least two of whom are officers.

Section 2. Frequency and location of meetings

The SIGMAA will have at least one business meeting each year. Business meetings will take place at MAA MathFest and/or through a synchronous virtual platform accessible to members in the month of MathFest.. Other activities may also be scheduled for MAA section meetings. All official business outside the required annual meeting will be conducted electronically, provided a quorum is attained.

Section 3. Conduct of meetings

The SIGMAA Chair will preside over the business meetings. The Chair will circulate an agenda via e-mail or electronic posting to SIGMAA membership at least one month in advance and will request additional agenda items at that time. During the meeting, the Chair will allow ample time for discussion and will seek to achieve consensus. If a consensus is not reached, decisions will be made by a vote.

When the SIGMAA Executive Committee decides that an issue requires the attention of the entire SIGMAA in advance of the next membership meeting, the committee may decide to convene a meeting electronically. The quorum definition in section V.1 applies to any vote conducted electronically, and ample time for discussion will still be allowed. Members will be given at least two weeks to vote on any issue requiring an electronic vote.

Article VI. Finances

Section 1. An annual MAA dues supplement will be assessed of each member of the SIGMAA. The dues supplement will be used to support the activities of the SIGMAA. The MAA Board of Directors will determine the manner of collection and disbursement of these funds. The MAA Committee on SIGMAAs can submit a request to the Board of Directors to modify the dues supplement. The committee will forward a recommendation to the MAA Board of Directors for final approval. The MAA Board of Directors may also initiate a change in the dues supplement.

Section 2. The SIGMAA does not accumulate funds from year to year, so current expenses are limited to current revenues unless the SIGMAA submits a request as detailed in section VI.3.

Section 3. The SIGMAA may apply to the MAA for specific funding beyond that provided by the dues supplement. All requests for funds will be substantiated in a budget for the proposed expenditures and must be approved by the MAA Communities Department.

Article VII. External Funding

Section 1. The SIGMAA may initiate grant proposals to be submitted by the MAA. The SIGMAA will follow the policies and procedures of the MAA for all such submissions.

Section 2. Neither the SIGMAA nor any officer nor any representative thereof will have any authority to contract debts for, pledge the credit of, or in any way bind the MAA.

Article VIII. Changes to Charter

Section 1. Changes to this charter may be initiated by the SIGMAA as follows: The SIGMAA Executive Committee will provide notice of the proposed changes to membership electronically, allowing at least one month for discussion. If such changes are approved by two-thirds of the members voting, provided a quorum is attained, the changes will be submitted for consideration to the Committee on SIGMAAs. The Committee on SIGMAAs will then forward a recommendation for approval to the MAA Board of Directors or a recommendation for revisions to the SIGMAA Executive Committee. If substantial revisions are necessary, the SIGMAA Executive Committee will submit the revised changes to membership for discussion and vote, as described above. The SIGMAA Executive Committee is encouraged to work in close consultation with the Committee on SIGMAAs at all steps in this process so as to prevent delays.

Section 2. Changes to this charter may also be initiated by the MAA Board of Directors, which will forward such a request to the Committee on SIGMAAs. In turn, the committee will work with the SIGMAA to develop specific new language for the charter that is acceptable to the

SIGMAA (as indicated by a two-thirds majority of the members voting, provided a quorum is attained) and the MAA Board of Directors. The Committee on SIGMAAs will then forward the revised charter to the MAA Board of Directors.

Article IX. Minimum Membership and Dissolution

Section 1. SIGMAAs are expected to represent an active community of MAA members. As one measure of this, SIGMAAs must maintain a membership of at least 80 in order to remain in good standing. If a SIGMAA has fewer than 80 members for two years in a row (as measured on Dec. 31 of two consecutive years), the SIGMAA will be placed on probation and will be immediately reviewed by the Committee on SIGMAAs. Within one year of this probation, the Committee on SIGMAAs will recommend reinstatement of good standing, continued probation (with conditions to meet to regain good standing), or dissolution of the SIGMAA to the Council on Communities.

Section 2. The Council on Communities may recommend dissolution of a SIGMAA, ordinarily as part of the SIGMAA review process. The SIGMAA will be dissolved upon acceptance of this recommendation by a majority vote of the MAA Board of Directors.

Section 3. If dissolved, any unspent funds of this SIGMAA will be returned to the general fund of the MAA.
