“Where Young Minds Take Flight”

School Year 2026-2027

Family Newsletter September 2026

Dear Oliveira Families,

What a wonderful start to the new school year! It has been exciting to welcome our students back to campus and see our classrooms and hallways once again filled with learning, laughter, and positive energy. I want to thank our families, teachers, and staff for helping us begin the year on such a strong note.

As we move into September, our focus continues to be on establishing strong routines, building positive relationships, and creating classrooms where every student feels safe, supported, and ready to learn. Through our PBIS program, we encourage all Oliveira students to SOAR each day by being Safe, On Task, Acting Responsibly, and Respectful. These expectations help guide our students in making positive choices in the classroom, on the playground, and throughout our school community.

September is also a great time to establish strong attendance habits. Every school day matters, and arriving at school on time and ready to learn helps students build consistency and stay connected to their classroom community. Thank you to our families for making regular and punctual attendance a priority.

One of our greatest strengths at Oliveira is the partnership between our school and our families. Please continue to stay connected with your child’s teacher, read our school communications, and participate in the many activities and opportunities we will have throughout the year. When families and schools work together, our students benefit tremendously.

Finally, I want to recognize our amazing students. I have already seen so many examples of kindness, hard work, friendship, and excitement for learning. I look forward to watching our students continue to grow academically, socially, and emotionally throughout the year.

Thank you for your continued support and for helping make Oliveira such a special community. Here’s to a fantastic September and an amazing school year ahead!

Warmly,

Harry Pabley

Principal, Oliveira Elementary School

Oliveira Elementary is a 2026 California Green Ribbon Schools Award Winner – Silver Level–two years in a row

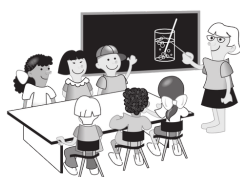

–Encourage your students to **walk and roll to school on Wednesdays (and every day!)**. Teachers record the data on Walk & Roll Wednesdays to support the Green School Application.

–Help keep our school green–use reusable water bottles and lunch boxes. The kids sort their waste at breakfast, lunch and in the classroom–please reinforce these skills.

–Green Team students are active and helpful at Lunch and are busy watering the new trees on campus. Garden Club has started meeting on Thursdays.

–Thank you to the students and families who came to the first Garden Day of the year!

FUSD Policies Regarding Volunteers on Campus

Volunteers who have received clearance at a school must sign in and out, must wear a visitor badge at all times, and must follow all site-specific protocols.

Volunteer Clearance – All volunteers must submit an application and upload a govt. identification card as well as complete a mandated training course (50 minutes long) through [CiviCore](#) in order to receive clearance. Volunteers who have been cleared in previous years must update their application every school year along with completing courses. Volunteers who are at a school under the direct supervision of a certificated employee must remain under the supervision of that employee for the duration of their visit.

Reference: [California Education Code 49024](#)

Health Guidance

The California Department of Public Health released updated guidance on when a student should stay home from school, it is available in English, Spanish, Chinese, and additional languages here. Please refer to this guidance when a student has symptoms of illness, including: cough, stuffy/runny nose, fever, vomiting, diarrhea, sore throat, ear/eye irritation, and/or rash.

New Student Registration for 2026-2027

Please visit the [Enrollment Website](#) for more information, dates, and the enrollment application. Please contact the Oliveira Office if you have any questions about registration for 2026-2027.

* * *

Moving? If you move to another Fremont neighborhood, please complete the online [Change of Residency](#) (COR) form and bring it to the school office to ensure your child gets enrolled in their new school (required within 5 days of your move BP5111). If you move OUT of Fremont, please contact the amyee@fusk12.net in the school office for an Intent to Withdraw Form.

“Where Young Minds Take Flight”

School Year 2026-2027

Family Newsletter September 2026

Hello Oliveira students and families and friends! I am **Ms. Althea Rahman, Oliveira’s music and art teacher**, and I’m excited to be beginning my 16th year at Oliveira.

I’ve been a musician and artist for most of my life, with a background in vocal and instrumental music. I’ve specialized in music education using the Kodaly philosophy and oboe performance. I’ve recently earned a supplementary art credential, and it’s been exciting and fun to start the art program at Oliveira.

In music class, 1st through 5th grade Oliveira students learn from a large variety of types of music, from folk songs and classical musical styles from all over the world to popular music. We use a variety of instruments, games and activities to learn to listen to and make music. 1st and 2nd graders focus on vocal development, music literacy, theory and percussion performance, while singing and playing games. In 3rd grade and up, we learn to play keyboards and recorders, in 4th grade we add ukuleles, and in 5th grade we explore all of these instruments in more depth. We write music, sing and play old and new songs, we learn about influential people in music from ancient history to now, and we learn about how music impacts our lives.

All Oliveira students get to attend art class, where we explore many art materials and techniques, and learn about well-known artwork and artists.

Please check out my Oliveira Music website for more information:

<https://sites.google.com/fusdk12.net/oliveira-elementary-music>

I am looking forward to making music with you this year!

Fremont Unified School District is hiring—[see the flier and QR code here.](#)

Mission Statement: Oliveira Elementary School provides a challenging learning environment that holds high expectations for all learners to develop the skills they need to become successful and positive contributors to our global community.

Vision Statement: Oliveira Elementary, where students are inspired to become kind, responsible individuals who use their learning, knowledge and skills to care for the world and make a positive difference.
