

Zanesville City Schools Career Pathways

Career Cluster:

Finance

This career pathway is designed to assist with planning for a career in the field of finance. School counselors assist in designing an academic pathway that includes all core graduation requirements and applicable electives to prepare properly for postsecondary education. Considerations pertaining to prerequisite courses, corequisite courses, leveling, teacher recommendations and class availability play a role in developing a specific and personalized plan that will maximize opportunities for success.

Interests/ Skills/ Traits Associated with Finance

The Finance Cluster prepares learners for careers in financial and investment planning, banking, insurance and business financial management. Career opportunities are available in every sector of the economy and require specific skills in organization, time management, customer service and communication. (from *Naviance*, "careers" tab)
