

TOURMALINE

Requirement List

Class Date:June 3rd, 2018..... Class Start Time:10am- 4pm.....

Please be set up and prepared to begin at the above-mentioned class start time. You will need to bring the following items to the class:

Note: pre-cut packets of 6 inch squares are great substitutes for the 5 inch squares in the requirement list. There is no need to cut these down to 5 inches, your finished project will be slightly larger than that noted below. Adjustments will be made in class to the required amounts for borders, binding and backing.

- ❖ Sewing machine in good working order – please see that it has been recently cleaned and oiled.
- ❖ Sewing machine manual.
- ❖ Extension cord or power bar.
- ❖ Rotary cutting equipment – mat, cutter and 6" X 24" ruler – an 8" square ruler would also be handy, if you have one.
- ❖ Basic sewing kit – pins, extra sewing machine needles, scissors, etc.
- ❖ Note-taking equipment
- ❖ Sewing thread in a colour to blend with your chosen fabrics – a neutral such as medium grey, or a grey/green will work well for this project.
- ❖ 100% cotton quilting weight fabrics in the amounts listed below for your chosen project.

Note: Please come to the first class with enough squares to make at least 6 blocks (24 squares). If using cut strips from your stash, cut the 5" squares from the strips.

	Throw 5X7	Single 6X10	Queen 9X12
Blocks Set			
Inner Border	-	1.5"	3.25"
Outer Border	3.5"	7"	7"
