PLEASE PROVIDE & COMPLETE AS MUCH OF THE FOLLOWING AS POSSIBLE!

Accuracy will depend on how much of the following you provide me with. The less information provided, the more I will improvise what is needed with my own choices to complete the commission. It is your responsibility to provide accurate, detailed, and correct information. Reference images are preferred but not required; fill out all applicable questions in the written portion in as much detail as possible.

REFERENCE IMAGES: Please attach files of accurate reference images. Only include reference images that are correct for the commission and add ons you are purchasing. Attach reference images that pertain to the commission you are purchasing from the following list:

- **Character(s) and/or person(s)**
- **Pose(s).** *If the pose(s) includes a specific action, object, multiple characters/people interacting, a complex/very specific pose, etc then please make sure you attach reference images that are accurate to the pose(s) you want.*
- **Clothing/Outfit and Accessories:**
- **Color palette (s) of the base colors for the illustration.** *Please only send the base colors, I will adjust them and use complimentary colors for shading, rendering, and painting.*
- **Background (only applicable to commissions with a purchased background)** *make sure your reference for the background is applicable to the type of background you selected in add ons. [Example: if you selected a basic background, do not send a reference image of a complex background]*
- **Objects (furniture, decorations, etc).** *Please make sure you have selected the correct add-on for objects.*
- **Any images that you want used for inspiration**
- **Any other reference images that are necessary for your commission to be accurate.**

WRITTEN DESCRIPTION:

Please copy & paste the following form, and fill out as detailed as possible in the written section of the commission purchase, even if you have included reference images.
