

Sponsorship Levels

Supporting Communities

Thank you for your interest in supporting one or more community groups through the sponsorship of their online shop, powered by ShopKeepEasy.

We have three levels of sponsorship, some with limited availability. Minimum term one year, paid upfront.

- **GOLD** (only 1 available per community group shop)
Price: £25 per month (£300 for one year) Location: First banner seen on shop homepage

Example shop sponsor banner

Customer click opens website

- **SILVER** (only 1 available per shop page for each community group)
Price: £10 per month (£120 for one year) Location: First banner seen on a chosen shop page (not shop homepage)

NOTE: When you visit a community shop, the customer can then visit a particular 'Shop page' from the dropdown at the top of the shop, created by the shop manager. This usually displays more items relating to that shop page e.g. Juniors; Seniors; Socials; Subs etc.

- **BRONZE**
Price: £5 per month (£60 for one year) Location: Banners scroll after a few seconds. Your banner will probably not be the first shown.

-
- **BOOSTER** (Additional opportunity for GOLD or SILVER level sponsors only)
Price: +£20 per month (+£240) Location: Additional product placeholder, linking to your website. This compliments your banner.
-

NOTE: Prices shown do not include VAT. Should you require any design help or adjustments throughout the year e.g. amending banner and/or link redirect, ShopKeepEasy charges on an hourly rate £30/hr.
