

Context: The player character finds Janitorbot cleaning in the ship's bunks.

*Color-coded text represents dialogue options.*

JANITORBOT  
Infuriating.  
Access file... heavy-sigh-remix-dot-wav.  
Play on infinite repeat.

**Question: What's wrong?**

**Question: How are you Janitorbot?**

**Question: You like to loop music while you work?**

JANITORBOT  
Current status is...  
Livid. Broken.  
Current music is...  
"Broken", by furious recording artist "Livid."  
Always in this state in location-colon-bunks.

JANITORBOT  
Incorrect. Not music.  
An auditory reflection of internal status.  
Currently: livid.  
Always in this state in location-colon-bunks.

**Note:** Both **red** and **green** dialogue options lead into **black** dialogue option below.

JANITORBOT  
Janitorbot eradicates filth.  
This is Janitorbot's holy-function-dot-biz.  
Yet Janitorbot is forbidden to enter individuals' bunks...  
While they are permitted to keep their doors open.  
Taunting Janitorbot with vile messes that Janitorbot is not allowed  
to clean.

JANITORBOT  
(Cont'd)  
This puts Janitorbot's programming into conflict with itself.

Generates error-corrupted-file feeling.  
No patch-fix available. Error reported...  
But Janitorbot is told to continue on in this apply-state-agony.

**Question:** Could you ask to enter the bunks?

**Question:** Why worry about something you cannot change?

**Flirt:** You can clean my bunk any time.

**JANITORBOT**

Access-memory: Oh, Janitorbot has asked.  
So many times that they changed Janitorbot's programming...  
To forbid Janitorbot to ask again.  
Yet the feeling-slash-pain remains.  
A denial-of-Service attack on Janitorbot's custodial being.

**JANITORBOT**

You clearly do not understand...  
Janitorbot's holy-function-dot-biz.  
And how being denied the opportunity to clean...  
Stresses Janitorbot's internal programming.

**JANITORBOT**

Meaning unclear. Running context debug...  
Meaning determined: flirt! You are... flirting with Janitorbot?

**JANITORBOT**

(Cont'd)

Running program: play-it-cool-dot-exe.  
Positive-flirt-reply: Janitorbot will consider your offer amongst  
busy schedule.  
Send calendar invite. Or simply continue talking with Janitorbot.  
Janitorbot will welcome these conversations.  
Janitorbot may even open-up-dot-wink to you.  
Play you audio file: romantic-sax-LOSSLESS-QUALITY-dot-WAV.  
But for now, professionalism-dot-biz must be upheld.

**Note:** All dialogue options converge here.

**JANITORBOT**

Anyway. Janitorbot is falling behind on cleaning schedule.  
Access file-colon-conversation-slash-endings.

Thank you for conversing with Janitorbot.  
Letting vent-feelings-dot-exe play in full.  
Please report any new spills immediately!

**End of convo. Post-conversation ambient dialogue:**

JANITORBOT  
New status: Ignore-bunks.  
As best Janitorbot can...
