

Dear (name),

I am a proud participant in Advocacy Canada's 5x5 Challenge: a ten-week peer to peer fundraising initiative in honour of their 5th anniversary! My goal is to raise \$250 to support Advocacy Canada's work and help create safer, more connected, and inclusive spaces for 2SLGBTQIA+ individuals in Kelowna and beyond.

The reason this fundraiser is important to me is because ... / I am participating in the 5x5 Challenge because ...

I would be honoured if you would consider donating and supporting my goal. You can donate directly on my fundraising page here: (Personal Fundraising Link).

All funds raised will directly support community connection initiatives, reduce isolation, and strengthen access to affirming programming for 2SLGBTQIA+ individuals across the region.

If you aren't able to donate at this time, there are many other ways you could support the 5x5 Challenge and my fundraising goal:

- ✓ Share my personal fundraising page to your networks.
- ✓ Host an event to raise money and awareness.
- ✓ Share Advocacy Canada's content to your social pages to help raise awareness of the importance of their work in our community.

Thank you for considering donating to my fundraiser! Your support helps build a community where no one has to choose between identity and belonging.

Sincerely,

(Name)
