Copperleaf Missionary Committee: Build Relationships with the Missionaries

Invite the missionaries over for dinner or a short message. If you've had them over often, next time ask them about how they do missionary work locally. Ask them about their hobbies and interests. Take the time to understand how they serve in our area, and how you can become partners in the work.

Purpose: Strengthen unity with full-time missionaries and prepare to support them by feeling comfortable referring friends or neighbors and feeling prepared to introduce others to Jesus Christ when opportunities arise naturally.

Missionaries Currently Serving:
