**Abstract.** Write an abstract in good English. Use Garamond 11 with one spacing between lines, justified, consists of : purpose (contains objectives of the research), method (delivers data collection of the research), results and impact of the research (refers to collected data as an effort to answer research questions). The number of words should be between 150-200 words.

**Keywords:** *keyword 1; keyword 2; keyword 3; keyword 4*

## **INTRODUCTION**

The contents of the introduction reveal the background, objectives, focus (research questions), methods, relevant research, differences from previous research, thereby bringing out the novelty of the research, results

and impacts. The introduction also explains the theory and methods used in the research.

The introductory text uses Garamond 12 bold and capital letters, with 1.5 spacing between lines in one paragraph and 0pt spacing between paragraphs. Fill in the introduction using Garamond 12 with 1.5 spacing between lines in one paragraph and 0pt spacing between paragraphs. **(example of body notes in a sentence)** In line with what Jones (1998) explains, "Islamic studies students have difficulty using web-based scientific writing" (p. 199). Several departments that are considered unable to synergize technological progress with Islam are the departments of Al-Qur'an Science and Tafsir and Da'wah Management at the Faculty of Ushuluddin, Adab and Da'wah (Ma'arif, 1993, p. 199).

## RESULTS AND DISCUSSION

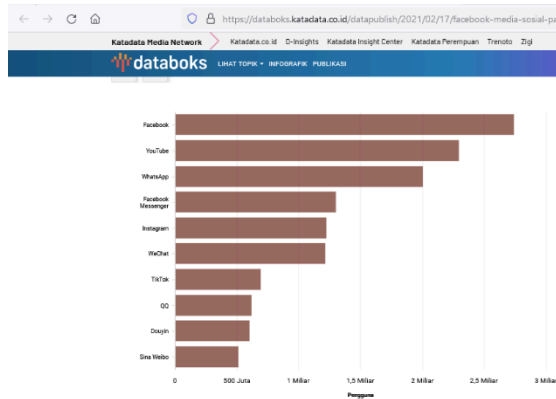

The contents of the results and discussion reveal research findings based on field data obtained using questionnaires, surveys, documents, interviews, observations and other data collection techniques. The results of research findings are analyzed by interpretation and synthesis with certain theories (can also come from the author's thoughts).

This section can be supplemented with tables or figures to provide further explanation. The contents of the results and discussion are written using normal Garamond 12 font. To write the Koran and hadith, use the letters Traditional Arabic font 12 **Bold**.

The text and table number are placed at the top with normal Garamond 12 letters, centered, top and bottom spacing 0pt. Table lines are simply horizontal lines at the first and end of the table, delete vertical lines and horizontal lines in the middle of the table. Fill in the table using

Garamond 12 letters, table margins as needed. If the table comes from another source, write the source in the bottom center of the table.
