FJSHS Parent Update: 5/6/22

Parent Update Video: Robotics off to state!

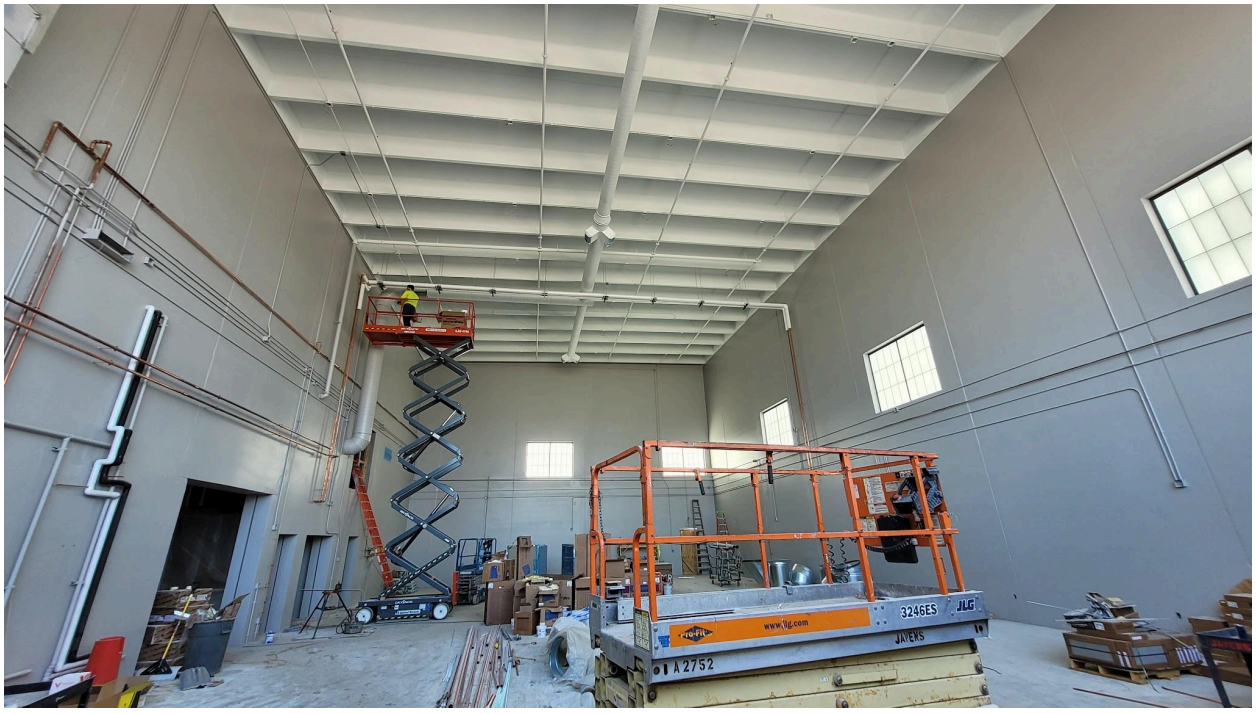

Senior Retreat and banquet:
Seniors! Please be sure you attend school right away in the morning on Wednesday, May 11th for the senior retreat. The following document will give you the needed information for the retreat as well as the senior banquet in the evening on the same day. Senior Information. Also, the senior banquet is free for all those who attend!

MCA testing:
MCAs are almost finished. We have next week reserved for the science make-ups.

Saturday School:
Saturday school opportunities for students will be held on May 14th and 21st. The hope is that we have no students in need of extra help and time during the last few weeks of the school year, but the offer will be there!

Awards Ceremony:
Each year we honor our students for their achievements in academics and extracurriculars. On May 20th, we will have the whole student body in the PAC to acknowledge high honors grades 9-12, 4 year high honors for our seniors, and recognize our best in class for our seniors. Following, we will also take time to recognize extracurricular achievements for our seniors. This is not only a great opportunity for those receiving recognition, but also for those younger students to see what they too can do here at Fairmont. This event is for our students body only.

New Building Update:
The inside of the new CTE building is coming together. Below are some pictures from the build. Big thank you to all those working to get this project done on time!

Manufacturing Lab

Woods room with Paint booth

HVAC LAB

Main Hallway

Get help with classes:

The semester is in the final month and help opportunities are plenty. Please contact the main office or your student's teachers if you have any questions about these additional learning opportunities. A "choice board" explaining the different options is linked here:
