

Title of Experiment: Marble Lab **Performed by:** _____

Wild Guess Question:

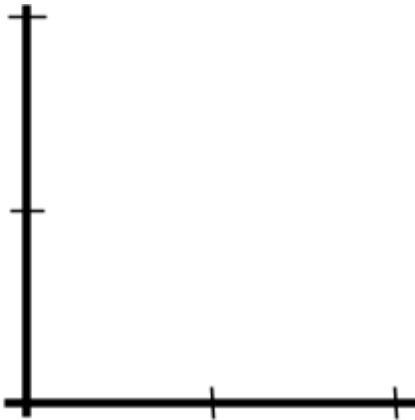

Wild Guess: _____

Research Question: _____

IV:	Controls:
DV:	

Hypothesis graph:

Hypothesis in words:

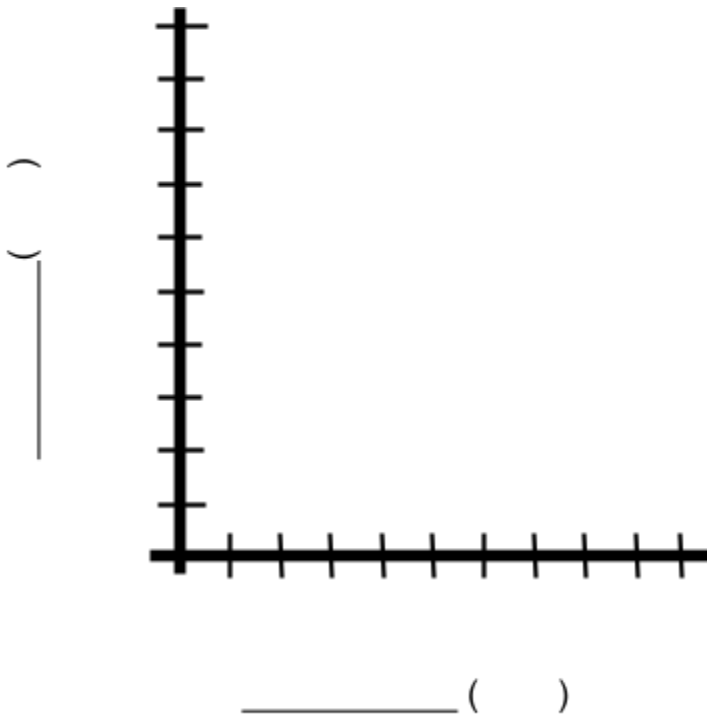

Procedure: _____

Data Table:

IV:	DV:			Average:
	Trial 1:	Trial 2:	Trial 3:	DV:

Data Graph:

Graph in Desmos

Math Equation:

Science Equation:

No-longer-a-wild-guess answer:

Conclusion: After investigating the relationship between _____ and _____, I found a _____ relationship as seen _____.

The math equation of that line is: _____.

Our science equation is: _____, which is a mathematical model of the relationship between _____ and _____.

Using this model, I predict _____

My confidence in this prediction is _____ because _____

Research Extension Question:
