

## DESCRIPTION

- ⊕ The pilot event, between a residency & festival, in the Woodham farmhouse, 1hr north of Bordeaux.
- ⊕ Co-creation, connecting with earth and each other. Set at the equinox to mark the moment of change.
- ⊕ Mud is the heart of this programme with activities such as creating ceramics, wellness sessions, foraging and vineyard walks, music performances, screenings & workshops.
- ⊕ A programme over 3 days and 2 nights

## ETHOS

Happening at the autumn equinox, this festival celebrates the end of summer with gratitude for our harvest produce. As we gather, we wind down with reflective contemplation, ambience and a meditative mindset. As we enjoy the last long days and remaining warmth, we also prepare ourselves for wintering, a change of pace and focus to frame our intentions in this change of season.

### Core values:

- ⊕ ThreeCs: **CREATION | COLLABORATION | CARE**
- ⊕ Self-organisation, process & emergence
- ⊕ Being open, kind & considerate
