Abstract: These instructions give you guidelines for preparing full papers for CSMMT 2023. Please use this document as a template to prepare your manuscript. For submission guidelines, follow instructions on paper submission system as well as the Conference website. In order to provide a consistent appearance of the manuscripts, it is important for the authors to use this template. The abstract should contain no more than 200 words. It should indicate the techniques used and summarize the most important results. Define all symbols and abbreviation used in the abstract. Do not cite references in the abstract.

Keywords: 3 to 5 keywords or phrases in alphabetical order, separated by semicolon. For example: Automation; Smart Living Technology.

1. Introduction

The CSMMT 2023 will be held in Yunlin, Taiwan, on October 27, 2023. The manuscript should fit in A4 pages (Paper size should be 210 mm · 297 mm A4 size)

Margins should be set for a 3 cm top, a 3 cm bottom, and a 2 cm left and right. These margin settings should be followed under all circumstances. The length of the full paper should be 4-8 pages including all figures and tables. Please underline the presenting author. Please do not change the formats of the header and footer. The manuscript includes a main body, figures, charts and images if needed. Only manuscripts that meet the requirements will be considered for presentations and publications. Please use the Times New Roman (10 pt) font. It is requested to upload the manuscript in PDF format.

2. Main text

The main text should be set in two-column format with a minimum gutter between the columns of 8 mm. Font size should be 10 pt. The first line of the first paragraph of a section or subsection should be left aligned. All submissions must be in English. The URL link of the official submission website of this conference is <https://easychair.org/conferences/?conf=csmmt2023>. Please upload a PDF file. The size of PDF files is limited to 5 MB. Other formats, such as MS-Word, LaTeX, AmiPro...etc., will NOT be accepted.

3. Figures, Photos, Tables, and Equations

Regarding figures, photos, tables, and equations, both black-and-white and colored are acceptable. We will make the electronic conference proceedings with the original manuscript. But we will convert the manuscript to black-and-white for printed version of the journal. So please consider the appearance when the color manuscript is converted to black-and-white. Captions

should be placed under the figures and the photos, and above the tables. Font size for the caption should be 10 pt. All figures and tables should be placed within the text at the appropriate points, rather than at the end.

Equations should be centered. The number of the equation can be given if necessary.

$$\phi = \sum_{i=1}^m \phi_i' + \sum_{j=1}^l \phi_j'' \quad (1)$$

As with tables and equations, figures should be set in one column possible unless two-column display is essential.

4. Conclusions

Describe the conclusions of your paper concisely.

5. Acknowledgement

Acknowledgements, if needed, appear after the Conclusions.

6. References

References should be set at the end of the manuscript. The reference numbers should be consistent with the order in which they are cited in the body of the paper. Provide full name of the journal title and conference name.
