A huge thanks to the **Love Nikki Wiki** and to **Love Nikki SubReddit** and everybody who helped them on doing such great detailed lists. **Links to the guides that helped me the most below:**

Note: not all suits shown on this list were taken from the websites above. Some of them I've found on my own and started putting piece by piece together. Others were shown to me by kind people everywhere. Others were simply shown by Official Love Nikki pages. This is not a copy list, and I'm crediting people because I know people deserve to be credited for their awesome jobs. Thanks for your understanding.
