CULTURE BLOCKS IDEA INCUBATOR: SPARK DAYS

Have a new idea you're excited to explore?

Spark Days are first-come, first-served, one-on-one sessions for creatives and nonprofit organizations to develop new Culture Blocks program concepts. Use this time to test, refine, and explore fresh ideas for community-based experiences. Past programs or existing proposals are not eligible—Spark Days are all about what's next.

Interested? Email a draft of your application and budget to cultureblocks@artsandscience.org, and we'll send you a link to schedule a 25-minute one-on-one in person meeting.

DRAFT APPLICATION AND BUDGET REVIEWS

Staff will receive draft applications and budgets by email at cultureblocks@artsandscience.org between April 28 – August 7, by 5 pm.

ASC can provide one application review per grant offering if materials are received by the draft application review deadline. We cannot guarantee capacity for multiple reviews.
