

## How to make a copy of the Modern Hero Google site template

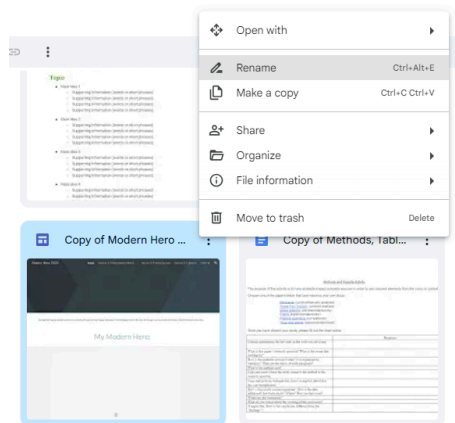

Click on [this link](#)

Click on the 3 dots in the upper-right (or far right) of the Google Site template and then click on Make a Copy.

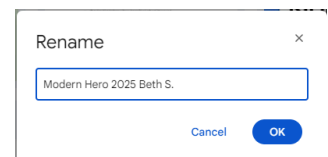

Go to My Drive and find the copy.

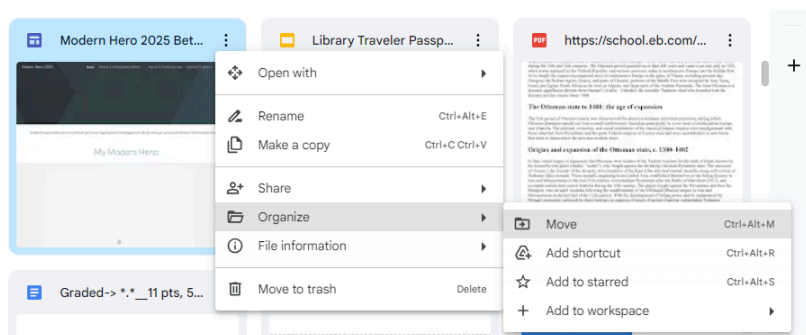

Click on the 3 dots and then click on Rename.

Change the name to Modern Hero 2025 (YourFirst Name, First Letter of Last Name)  
and click OK (delete "Copy of")

Click on the 3 dots and again  
and then click on Organize, and then  
Move

Choose the Modern Hero Project folder and click on Move.
