

Camino de Navaherreros by Bernabeleva

Red - 11.5% abv - Madrid, Spain - 100% Garnacha

Medium-bodied, aged in wooden barrels for 10 months. Unique with notes of licorice, roses and fennel. Fun porch-sipping wine. Drink with a slight chill with light meats or mushrooms.

K Pilota by Bodega K5

White - 11.5% abv ~ Txakolina, Spain- 100% Hondarrabi Zuri

Aged for just 5 months on lees give a full creamy texture. Lemon, pear, and fresh herb flavors with a slight hint of effervescence. Great with summer pesto and grilled veggies.

Tetramythos - Roditis Natur

White - Greece - 12.5% - 100% Roditis

A natural wine, fermented with native yeasts, organically grown and aged in stainless steel. Fresh, juicy, and crisp with notes of white fruit, citrus, a touch of salinity and an herbal undertone. Drinking this wine immediately transports me to the first taste of salt water in the air on a beach vacation.

Pullus - Pinot Grigio

White - Slovenia - 13% - 100% Skin Contact Pinot Grigio

From one of the oldest operating wineries in Slovenia with cellars dating back to 1239. The grapes are harvested in September and then left on the skins for 48-72 hours to impart the slightest hint of orange color. Stainless steel fermented and aged this wine has beautiful hints of pear and green apple with bracing minerality.

Corne Loup - Tavel Rosé

Rosé - Tavel, France - 14% - 60% Grenache, blend

A beautiful and deep rosé from the prestigious town of Tavel, the first AOC in France for rosé. This is not a watered down rosé, ripe strawberry, white tea, and cherry pie notes with enough body to pair with food.

Gavi by La Ghibellina Mainin

White - 12.5% - Piedmont, Italy - 100% Cortese

Characterised by a beautiful mineral quality, with restrained aromas of flowers, citrus, and fresh summer fruits like tangerines, mangoes, and oranges. Cortese is roughly Italian for "polite" or "gentle" and is a great way to describe this wine. It's fun, fresh, dry, and great with or without food.
