

Privacy Policy for Key Blockchain Facts on the Amazon Alexa Skills Store.

The content for **Key Blockchain Facts** has been developed by **DARJYO (PTY) LTD**. However, **Key Blockchain Facts** runs on systems provided by Amazon Alexa, and **DARJYO (PTY) LTD** does not have full access to the app. In particular, **DARJYO (PTY) LTD** has no ability to access the messages you send to **Key Blockchain Facts** or the responses that it sends back to you.

DARJYO (PTY) LTD may receive from the Alexa Skills Store non-personally identifying information about the use of **Key Blockchain Facts**. For instance, **DARJYO (PTY) LTD** can access usage information regarding how many users are using the app, which geographical regions they are located in, and basic data including users' language, device type, and length and frequency of use. None of the information **DARJYO (PTY) LTD** receives from the Alexa Skills Store identifies you, nor does it reveal to **DARJYO (PTY) LTD** what information you sent to the app or what specific responses the app sent to you.

DARJYO (PTY) LTD may, in the future, modify **Key Blockchain Facts** to run on infrastructure which **DARJYO (PTY) LTD** has full access to, which would allow **DARJYO (PTY) LTD** access to additional information about your interaction with the app.

Should that occur, **DARJYO (PTY) LTD** will comply with its obligations under applicable privacy law, including updating this Privacy Policy as required.
