

Don't Worry! God Will Make Good On His Promise of HEAVEN!

At some point, the suffering in this sinful world will cause you to question your faith & if GOD will make good on His promise of HEAVEN. I want to challenge you to know that GOD is the fixed and immovable foundation that you stand on. Regardless of what happens in this life, The Promise of HEAVEN is true. It's the antichrist spirit that is loose in this dark world that wants to make you live in doubt.

Frankly speaking, the question is not if GOD will make good on HIS promise of HEAVEN because HE already has. The real question is will you continue to believe despite life circumstances, grief, hurt and pain? **Will you continue to trust GOD when you can't hear or see Him moving in the situation? Will you make good on your commitment to GOD and the trust that you put in HIM?** Heaven is not going anywhere, it is the fixed destination for believers. **JESUS isn't going anywhere, HE is the risen KING.** HE reigns regardless of if people believe or not. HE is seated at the right hand of the FATHER and HE reigns.

You do not need a sign to know that this is true. The very breath in your body is your sign. It is not man made! **GOD is giving you the air.** That is the proof. You are a living soul as stated in *Genesis 2:7*. God made you and He is the one giving you the breath and chance at life. All you have to do is trust this and believe.

At one point, life will cause you to question the very existence of GOD. After so many circumstances and crises, the enemy came to tell me that GOD was not good, and all of my serving Him was for nothing. I am here to tell you that HEAVEN is real and JESUS does exist. I know it because the bible tells me so! I also know it because God has come to me in dreams through the **HOLY SPIRIT**. So, YES!!!! JESUS IS REAL! And that means, HEAVEN is REAL !!!

Revelation 19:10 KJV

“ And I fell at his feet to worship him. And he said unto me, See thou do it not: I am thy fellowservant, and of thy brethren that have the testimony of Jesus: worship God: for the testimony of Jesus is the spirit of prophecy.”

My Testimony of JESUS through PROPHECY:

On **January 18, 2023** I saw a person in HEAVEN and they told me, “ It is beautiful up here in HEAVEN.” In the dream my back was against the wall. God used this dream in *October of 2023* as reassurance for the days of doubt I would be faced with.

On **February 21, 2023**, GOD spoke to me in a dream that my husband and I were going to Heaven for obeying Him and following the word that He told me in that dream. It was a big step, but I obeyed the voice of GOD.

On **March 08, 2023**, I saw the **LION of JUDAH** stand behind me in spiritual battle. Everything that I saw in that dream has come to pass. I saw JESUS standing in a flame of glory behind me and the enemy that fought against me in that dream ran away as soon as HE came out of that cloud of fire! The devil really is scared of satan.

On **March 09, 2023**, I had a dream that GOD was giving me a baby named 7 Star, God was birthing revelation in me. He saved me from being lost and told me what I had done through the book of revelation and the 7 stars (7 churches). I learned what was displeasing to HIM. God returned me back to HIM and told me what not to tolerate. I owe JESUS my life because I didn't even know I was lost. He returned me back to HIMSELF. #the GOOD SHEPHERD

On ***April 01, 2023***, I heard the voice of the LORD audibly for the first time in my life. It was so powerful. He told me to get up and throw those scales of darkness off me and “**BE STRONG**” then I walked into the door of light. It was the strongest and best voice that I ever heard. I cherish this day forever. **#Mysheepknowmyvoice**
#theLORDismySHEPHERD

In the beginning of ***May 2023***, God Showed me a dream where I heard a loud roar and He was roaring the enemy away from me in the power of the HOLY GHOST. It actually happened in real life just like He showed it. A demonic spirit was coming through someone to try and place curses on me, but GOD roared them away from me in the SPIRIT of GOD. This came to pass about 3 days later. GOD protected me from all danger and evil spirits. **#JEHOVAH NISSI**

On ***September 24, 2023*** When I did not want to carry on with my life because of a hopeless time, I saw a dream where JESUS was kneeling and bent in a posture of intercession at my bedside telling me to continue. I did not see His face, but I know it was Him telling me to get up and keep on going. His words were engraved on my side of the bed in white. The LORD rescued me out of depression in October of 2023 a few weeks later when it was the darkest time of my life. **#Hegoesebeforeus! #YAHWEH SHAMMAH #THE LORDourGODispresentinbattle.**

On ***October 08-14 of 2023***, all of those dreams came to pass that I had been having in September. GOD was preparing me for this trial of my faith. I went through the darkest time of my life. On October 08, 2023 I went to go and sing out of town and I felt so hopeless. The preaching was going forth, but I could not even believe it because I was so hopeless. Yet I praised hard because I needed GOD to know I still loved HIM. GOD set everything up for my deliverance. He even gave me the band music I needed to sing, like He showed me in another dream. He had prepared me that I would face trials reading my purple bible and I did. It all was coming to pass. The antichrist was coming hard to

make me believe that GOD had forsaken me. Nevertheless, GOD was mighty in battle. The LORD played my song, HOLY CONFIDENCE as I was on my way home and it was not hooked up on the radio. It is true that HE sings songs to us Zephaniah 3:17. No bluetooth was hooked up. The song just played on its own. GOD played it to remind me to just keep going and do not be discouraged. I was so weak until the point I could not carry on anymore. I was rejected, hated, abandoned, betrayed, lost, misunderstood, sad and lonely. I felt like my life was over. It was the darkest time of my life. Later that night I heard the devil come and tell me “I am going to kill you Angel Starr.” I was so afraid. GOD carried me through this time and loved me back to life. GOD had gave me a dream of my sister coming over and helping me to get my dowry ticket that I lost in the grass back. GOD sent her that day and she prayed for me and hugged me. I was so discouraged and GOD reestablished me, He helped me pick up my ticket of faith. I could not plan my child’s birthday party because I was so broken and living in fear. I called on an ELDER I knew and he prayed for me. God broke my chains. He sent my daughter to tell me, “Mama, no one else is going to raise me. You are going to be my mama. She put a crown on my head, started combing my hair and putting on my lipstick; GOD used my daughter to show His love and my son to start singing his Beyblade burst song, “Never give up, fight for what you believe in.” My husband started interceding and he prayed for me when I could not pray for myself. ‘I watched a video from Instagram by Jason Crawford, and he encouraged me with the words of his testimony and his preaching. He said “you are going to make it.” He was telling his testimony and when he said those words, the power of GOD came through that video and I started noticing that GOD still loves me regardless of what had happened. I was supposed to give my daughter a birthday party and I couldn’t even plan it right. GOD met me in the Walmart Parking Lot. I spoke out to GOD “I am so sorry, I have never felt like this before. Forgive me LORD, I just don’t care about anything anymore. It seems like I don’t even care about you and I am sorry.” The spirit of GOD spoke to me in a sweet voice and said, “*Cast your cares on me, for I care for you.*” When I heard that my life started to take a turn for the better. GOD helped me to pull my daughter’s birthday party together and HE saved my life. He loved me through the darkness. GOD

cared for me during this dark time and I am so grateful to have the LORD in my life. GOD worked through the body of CHRIST to love me. He took care of me. HE remained when I wanted to give up on life. It is Feb 18, 2025 and I am still alive. GOD is bigger than any threat of the devil. So, no! The devil does not determine the days of my life. GOD is still in control. I am alive y'all. **JESUS** saved my life!

In ***January of 2024***, God showed me a dream that the devil would try to brainwash me and everything that I knew. God warned me throughout the year not to take the mark of the beast and to stand strong. I heard Him speak this in a dream.(around October, and again in the earlier part of January 2025). God took me through the entire year and in the beginning of this one. I am still remaining because of His love towards me. The devil fights me hard, but I refuse to give into his tricks. I stand for JESUS.

In the ***Summer of 2024***, God showed me not to commit spiritual adultery and allow my hope to be snatched. I saw all these orphans outside of this mansion who had been tricked out of their blessings because of this wicked lady who kept taking their contracts. (that spirit of Jezebel will seduce you away from the LORD. You have to be mindful of who is trying to control you and lure you away from GOD.) Thank God I passed the test through the power of GOD. God helped me to get through my deep hurt in October of 2024 when I was tested to overcome feeling some abandonment issues and several hurts. God reminded me that **HE is my FATHER** and has been a very good one to me and do not worry about how another person on the earth feels about me.

In **October of 2024**, the LORD had shown me not to take a particular drink because it was coming from the pit of hell. When my husband and I went to a restaurant a free drink was fixed for me and I did not drink it because God had already warned me.

On ***December 01, 2024*** I saw the LORD come to me in a dream and correct me about something that I was doing wrong. He showed me a picture of His body and reminded me to remain in His image. God wanted me to avoid any vanity and to focus on

humility and to watch out for those who would encourage me to be focused on self image. He wanted me to be focused on His image. In two days time it came to pass and I corrected the errors GOD had shown. My heart was made clean.

On **January 05, 2025** God came to me in a dream and told me that I was not crazy to follow Him. All I need to do is **BELIEVE**. He gave me the words of **JOHN 3:16**. Then I opened the door. To follow Him.

On **January 15, 2025**, GOD came to me and this time I did not particularly see a person, but I tangibly felt a hug in my dream and like a beard, I knew it was GOD. I heard Him say that He loved me and I was beautiful. In that dream I was wearing the clothes that I wore in my first video, "I know JESUS". And I turned to sing to GOD, the Phil Wickham song, ***"I Know You By a 1000 Names"***.

I have also had many dreams of what not to take, who was safe to be around and etc. GOD has been my guide. All I have to do is continue to follow Him. He has revealed everything He wanted me to know and I am forever grateful. He has even revealed when I needed to pray for my husband, kids, parents, siblings and others who I know. There are so many more experiences that I could share, but I would be talking forever because He really is a great mystery. I love YOU LORD. It is safe to say, **I have had too many experiences with GOD to deny that HE is real and His presence is real.** Therefore, I know HEAVEN is real and this is what it means to live unashamed.

The devil and all his principalities try to fight me so hard to keep me from believing, but I will not give up. I love JESUS. Despite all the afflictions I have faced, I know at the end of my earthly life, I will be rewarded in HEAVEN for all of the persecution that I have faced. I have had to encourage myself in the LORD many times as David did, but I know it is all worth it. I pray you are encouraged by these true testimonies and you will be inspired to keep believing in GOD.

SO YES, GOD IS REAL. GOD will make good on His promise of HEAVEN.

Here are some reminders of what we have to look forward to in HEAVEN. Those who love JESUS will know that looking forward to HIM is the only thing that truly matters. If you love JESUS truly, you will be happy about these amazing treasures in HEAVEN. You will know the deep love of being returned to your true creator, going home. You will look forward to JESUS and treasure the thoughts of this beauty we who believe will one see. This has to be EVERYTHING TO YOU. As a believer, This has to be your championship. Everything in life should bank on you aiming to have this. Don't spend your life making material blessings be your everything. Focus on knowing that GOD is everything and worshipping GOD is everything. Heaven will not be about us. Heaven will be about JESUS. Knowing that we finally get to be with HIM should be the satisfaction and life goal. **(If you are having a hard time envisioning this as your life goal, I encourage you to pray for deliverance from the material mindset, and focus on aligning your mind with wanting to adore JESUS. Being selfless and not selfish.)** The list below is our ENDGAME as believers. **Everything you think, say or do should be shaped from the idea of Eternity with GOD. This should deeply excite you.
