What is emailed upon request for an extension:

General Hospitals currently designated as a primary or comprehensive stroke center prior to January 21, 2020, the effective date of N.J.S.A. 26:2H-12.28 et seq., can only retain such designation after January 20, 2023, by obtaining the appropriate certification by an approved accrediting body.

The Commissioner may grant the facility up to two one-year extensions to obtain the appropriate certification. General hospitals are required to provide the Department's Division of Certificate of Need and Licensing with a copy of the facility's stroke certification by January 20, 2023. To request an extension, please submit a letter to the commissioner requesting an extension of N. J.S.A. 26:2H-12.28 et seq, the reason for the extension and when they expect to have the accreditation completed. Please submit your request by letter to:

New Jersey Department of
Health Certificate of Need and
Licensing
P.O. Box 358
Trenton, New Jersey 08625-0358
Attn: DOH-CN and Licensing Requests

or email it to
